NOTES:

1. The Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 (“Act”) in respect of special business is annexed hereto and forms part of this notice. The Board of Directors of the Company has considered and decided to include Item Nos. 4 to 7 given above as Special Business in the forthcoming Annual General Meeting (“AGM”), as they are unavoidable in nature. The details of directors proposed to be re-appointed and whose remuneration is being approved at the ensuing 61st AGM in terms of Regulation 36(3) of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standard – 2 on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India ("ICSI") is annexed to the Notice.

2. The Ministry of Corporate Affairs ("MCA"), vide its General Circular No. 20/2020 dated 5th May, 2020 read with the subsequent circulars issued from time to time, the latest one being General Circular No. 09/2024 dated 19th September, 2024 ("MCA Circulars"), permitted companies to hold its general meetings through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM"), without physical presence of the members at a common venue. In compliance with applicable provisions of the Act and MCA circulars, the 61st AGM of the Company will be conducted through VC / OAVM without physical presence of the members at a common venue. The Company has engaged services of Central Depository Services (India) Limited ("CDSL") for conducting the AGM and facilitating voting through electronic means i.e. remote e-voting and e-voting during the AGM.

3. Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024 effective from 13th December, 2024, amending Regulation 36(1)(b) of the Listing Regulations, the requirement of sending hard copy of Annual Reports to the shareholders has been dispensed with. Accordingly, the Company is dispatching through electronic mode the soft copies of its Annual Reports to all those shareholders whose email addresses are registered with the Company / the Depositories / the Depository Participant(s) ("DPs") / with MUFG Intime India Private Limited (Formerly known as Link Intime India Private Limited), Registrar & Share Transfer Agent ("RTA").

Further, according to Regulation 36(1)(B) of the Listing Regulations, a letter providing the web-link, including the exact path, where complete details of the Annual Report 2024-25 are available, will be sent to those shareholders who have not registered their email address with the Company/the Depositories/DPs/RTA.

4. In compliance with the aforesaid MCA Circulars, Notice of the 61st AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those members whose email addresses are registered with the Company / the Depositories / DPs / RTA. The members may note that the Notice along with the Annual Report for the financial year 2024-25 will also be available on the Company's website viz. www.hindcompo.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited viz. www.bseindia.com and www.nseindia.com respectively and on the website of CDSL viz. www.evotingindia.com.
5. In accordance with the SS-2 read with Guidance/Clarification dated 15th April, 2020 issued by the ICSI, the proceedings of the 61st AGM shall be deemed to be conducted at the Registered Office of the Company situated at Peninsula Business Park, 'A' Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai - 400013,

In accordance with the aforementioned SEBI Master Circular read with all other circulars issued from time to time in this regard, the Company has sent communication to members holding shares in physical mode and whose folios are incomplete with respect to PAN, Address with PIN code, Mobile Number, Bank Account details, Specimen Signature and Nomination of holders of physical securities requesting them to update such details. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank and Nomination details are requested to contact their respective DPs.

As per the provisions of Section 72 of the Act and aforesaid SEBI Circulars, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he / she may submit the same in Form ISR-3 or Form SH-14, as the case may be. The said forms can be downloaded from RTA's website as above mentioned. The members are requested to submit these details to their DPs, in case the shares are held in electronic form, and to the Company's RTA, in case the shares are held in physical form.

11. The dividend on Equity Shares as recommended by the Board of Directors for the financial year ended 31st March, 2025, if approved by the members at the ensuing 61st AGM, will be paid to those members whose names stand registered in the Register of Members / List of Beneficial Owners as on the cut-off date i.e. Thursday, 18th September, 2025. The dividend will be paid to members holding shares in physical mode and have not updated their KYC details / documents, only in electronic mode w.e.f. 1st April, 2024.
12. Members holding shares in physical form are requested to notify any change in their address or bank details to the Company / RTA quoting their Folio Number. The members holding shares in the demat form are requested

to update such details with their respective Depository Participants.

13. To comply with the provisions of Section 88 of the Act read with Rule 3 of the Companies (Management and Administration) Rules, 2014, members are requested to submit their e-mail ID and other details vide 'e-mail updation form' available on Company's website viz. www.hindcompo.com. The same could be done by filling up and signing at the appropriate place in the said form and by sending the same to the Company's RTA. The e-mail ID as provided shall be updated, subject to successful verification of your signatures as per records available with the Company's RTA.
14. Members may note that the Income Tax Act, 1961 ("IT Act"), as amended by the Finance Act, 2020, mandates that the dividend paid or distributed by a company after 1st April, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, the members are requested to submit Form 15G/Form 15H or any other documents as applicable, if any, in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid PAN	10% or as notified by the Government of India
Members not having PAN/ Invalid PAN	20% or as notified by the Government of India

However, no TDS shall be deducted on the dividend payable to a resident individual if the total dividend to be received by him during Financial Year 2025-26 does not exceed ₹ 10,000/- and also in cases where members have provided Form 15G / Form 15H (applicable to individuals aged 60 years or more), subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. Registered members may also submit any other document as prescribed under the IT Act to claim a lower/Nil withholding tax. PAN is mandatory for members providing Form 15G/15H or any other document as applicable, if any, in accordance with the provisions of the IT Act.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this

purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member or details as prescribed under rule 37BC of Income-tax Rules, 1962
- Copy of Tax Residency Certificate (TRC) for the FY 2024-25 obtained from the revenue authorities of the country of tax residence, duly attested by member
- Self-declaration in Form 10F
- Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by member

In case of Foreign Institutional Investors/Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents are required to be submitted by sending email at investor@hindcompo.com up to 23.59 hrs. IST on 18th September, 2025.

15. The cut-off date for the purpose of determining eligibility of members for voting in connection with the 61st AGM and payment of final dividend for the financial year 2024-25 has been fixed as Thursday, 18th September, 2025 (**"Cut-off date"**).
16. The Company has transferred the unpaid or unclaimed dividend declared up to financial years 2016-17, from time to time, to the Investor Education and Protection Fund ("IEPF") established by the Central Government. The unclaimed dividend in respect of the financial year 2017-18 is due for transfer to the IEPF Authority in month of October, 2025. The shareholders whose dividend remained unclaimed for the financial year 2017-18 and for subsequent financial years are requested to claim it immediately from the Company. The Company has uploaded the details of unpaid and unclaimed dividend amounts lying with the Company as on 31st March, 2025 under "Investor Relations" section on the website of the Company viz. www.hindcompo.com, the said details can also be accessed on the website of MCA viz. www.mca.gov.in and on the website of IEPF viz. www.iepf.gov.in. Attention of the members is drawn to the provisions of Section 124(6) of the Act, which requires a company to transfer, in the name of the IEPF Authority, all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more.

In accordance with the aforesaid provisions of Section 124(6) of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has transferred 70,673 equity shares in respect of which dividend declared for the financial year 2016-2017 or earlier financial years remained unpaid or unclaimed by the members for 7 (seven) consecutive years or more to the DEMAT account of IEPF Authority via corporate actions through Depositories.

A member desirous to claim back his / her shares from the IEPF Authority can do so by following prescribed procedure under the said Rules. The aforesaid details are available on the website of the Company viz. www.hindcompo.com and have also been uploaded on the website of the MCA viz. www.mca.gov.in and on the website of IEPF viz. www.iepf.gov.in.

Further, the Company has initiated necessary action for transfer of all shares to the Demat account of IEPF Authority in respect of which dividend declared for the financial year 2017-18 and thereafter, has remained unpaid or unclaimed by the members for 7 (seven) consecutive years or more.

17. The members can join the 61st AGM through VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the meeting by following the procedure mentioned in the Notice. The facility of participation at the 61st AGM through VC / OAVM will be made available to at least 1000 members on first come, first served basis; however this limit does not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc., who are allowed to attend the AGM without restriction on account of first come, first served basis.
18. The attendance of the members attending the 61st AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
19. In compliance with the aforesaid MCA and SEBI Circulars, Notice of the 61st AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those members whose email addresses are registered with the Company / RTA / DPs. The members may note that the Notice and Annual Report for the financial year 2024-25 will also be available on the Company's website viz. www.hindcompo.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited viz. www.bseindia.com and www.nseindia.com respectively and on the website of CDSL viz. www.evotingindia.com.
20. Non-Resident Indian members are requested to inform to the Company's RTA, of any change in their residential status on return to India for permanent settlement, their bank account maintained in India with complete name, branch, account type, account number and address of

the bank with pin code, if the details are not furnished earlier.

21. Members holding shares in identical order of names in more than one folio are requested to write to the Company / RTA enclosing their share certificates to enable the Company to consolidate their holdings in one folio for better services.
22. Members are requested to forward their all communications to the Company's RTA and are further requested to always quote their Folio Number / DPID-Client ID in all correspondence with the Company / RTA.
23. The shares of the Company are listed on BSE Limited and National Stock Exchange of India Limited. Listing fees for the financial year 2025-26 have been paid to both the stock exchanges.
24. As per provisions of Regulation 40 of the Listing Regulations, as amended, the request for transfer of securities shall not be processed unless the securities are held in dematerialised form. Further the request for transmission or transposition of securities held in physical or dematerialised form shall be affected only in dematerialised form. Hence members who hold shares in physical form are requested to dematerialize their shares, so they can transfer their shares in future, if so desire. However, members can continue to hold shares in physical form.

Further, the SEBI vide. Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated 2nd July, 2025, has mandated the listed entities to open a Special Window to facilitate re-lodgment of transfer requests of physical shares, which were lodged prior to 1st April, 2019 and were rejected, returned or not attended to due to deficiencies in documents / process / or otherwise, for a period of six months from 7th July, 2025 to 6th January, 2026.

The shares re-lodged for transfer during this Window shall be processed only in dematerialized form. Eligible investors / shareholders may submit their transfer request(s) along with the requisite documents to the Company's RTA at Address: C 101, Embassy 247, L.B.S. Marg, Vikhroli (West), Mumbai – 400083, Maharashtra, Tel No.: +91 8108116767, e-mail: iepf.shares@linkintime.co.in within stipulated period.

25. The SEBI vide Master Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/91 dated 23rd June, 2025 read with Gazette Notification no. SEBI/LADNRO/GN/2022/66 dated 24th January, 2022 has simplified the procedure and standardized the format of documents for transmission of securities; henceforth while processing certain prescribed service request(s) such as issue of duplicate share certificate, claim from Unclaimed Suspense Account, renewal / exchange of share certificates, endorsement, sub-division / splitting of share certificates, consolidation of share certificates / folios, transmission, and / or transposition received from the shareholder / claimant. Upon receipt of service request(s) from shareholder / claimant (in prescribed

form ISR-4), the RTA of the Company shall verify and process the said request. After removing objections, if any, the RTA will intimate the shareholder / claimant about its execution / issuance of new certificate as may be applicable. The RTA shall retain the physical share certificate(s) with them and shall issue 'Letter of Confirmation' to the shareholder / claimant in lieu of physical share certificate(s). The shareholder / claimant shall lodge request for dematerialization of shares along with the original Letter of Confirmation received from the RTA within 120 (One Hundred Twenty) days of issue of the Letter of Confirmation to his DP. In case the shareholder / claimant fails to submit the demat request within the aforesaid period, the Company shall credit such shares to the Suspense Escrow Demat Account of the Company opened for the said purpose.

26. The SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/76 dated 30th May, 2022, Master Circular No. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 dated 31st July, 2023 as updated from time to time read with all other circulars issued earlier in this regard, provided an option for arbitration as a Dispute Resolution Mechanism for investors. As per the said circulars, investors can opt for arbitration with the Stock Exchanges in case of any dispute against the Company or its RTA on delay or default in processing any investor service related request. In compliance with the said Circular, the Company had sent communication intimating about the Dispute Resolution Mechanism to all the members holding shares in physical form previously. Further, a common Online Dispute Resolution Portal ("ODR Portal") is established for resolution of disputes arising in the Indian Securities Market. Pursuant to above-mentioned circulars, post exhausting the option to resolve investors' grievances with the RTA / Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website viz. <https://www.hindcompo.com/investor-relations/investors-information.htm>.

27. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Regulation 44 of the Listing Regulations and SS-2, the Company is pleased to provide e-voting facility to its members to exercise their right to vote electronically on the resolutions mentioned in the Notice of 61st AGM dated 8th August, 2025. The members may cast their vote using electronic voting system from a place other than the venue of the meeting ("remote e-voting").

- (a) The facility of casting the vote by the members / shareholders using an electronic voting system from a place other than venue of the AGM ("remote e-voting") and e-voting during the meeting will be provided by the Central Depository Services (India) Limited ("CDSL e-voting System").
- (b) A person, whose name is recorded in the Register of Members or in the List Beneficial Owners

maintained by the Depositories as on the cut-off date only shall be entitled to avail the facility of "remote e-voting" or e-voting during the AGM.

- (c) The "remote e-voting" period will commence on Monday, 22nd September, 2025 (9:00 hrs.) and end on Wednesday, 24th September, 2025 (17:00 hrs.). During this period, members / shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote by "remote e-voting". The "remote e-voting" module shall be disabled by the CDSL for voting thereafter. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently.

- (d) The voting rights of members / shareholders shall be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date.

Any person who becomes a member of the Company after dispatch of the Notice of the meeting and holding shares as on the cut-off date may obtain the User ID and password by sending a request at helpdesk.evoting@cdslindia.com or rnt.helpdesk@in.mpms.mufig.com. However, if the member is already registered with CDSL for remote e-voting then he can use his existing user ID and password for casting the vote through e-voting. If you forgot your password, you can reset your password by using "Forgot User Details/Password" option available on www.evotingindia.com.

- (e) The Board of Directors of the Company has appointed CS Manish Baldeva, Proprietor M/s. M Baldeva Associates, Company Secretaries, Mumbai (FCS No.: 6180 / CP No.: 11062) as Scrutinizer to scrutinize the voting through remote e-voting process and e-voting during the 61st AGM in a fair and transparent manner. The Scrutinizer shall, within 2 working days from the conclusion of the AGM, prepare a Consolidated Scrutinizers' Report of the votes cast in favour or against, if any, and forthwith the same to the Chairman of the meeting or a person authorized by him who shall countersign the same and declare the result of the voting.
- (f) The result declared along with the report of the Scrutinizer shall be placed on the website of the Company viz. www.hindcompo.com and on the website of CDSL viz. www.evotingindia.com immediately after the declaration of result by the Chairman or a person authorized by him in writing. The result shall simultaneously be communicated to the stock exchanges.
- (g) Subject to receipt of requisite number of votes in favour, the resolutions shall be deemed to be passed on the date of the 61st AGM i.e. Thursday, 25th September, 2025.

28. Pursuant to the Investor Education and Protection Fund Authority ('IEPF Authority'), under the Ministry of Corporate Affairs, circular dated 16th July, 2025, the Company has started a 100 Days campaign "Saksham Niveshak" from 28th July, 2025 to 6th November, 2025 - for updation of KYC and Shareholder engagement to prevent transfer of Unpaid / Unclaimed Dividends to IEPF Authority.

During this campaign, the shareholders who have not claimed their dividends declared for any financial years from 2018-19 to 2024-25 or have not updated their KYC or other related updations or have any issues related to unclaimed dividends and shares, may make an application along with requisite documents to the Company's RTA to claim the payment of unclaimed / unpaid dividend, credit of shares, or updation of KYC and other updation, as the case may be.

The shareholders may further note that this campaign has been initiated specifically to reach out to the shareholders to update their KYC, bank mandates, nominee and contact information and other required details and to claim their unclaimed / unpaid dividends for the aforementioned financial years in order to prevent their shares from being transferred to the demat account of IEPF Authority.

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013 READ WITH REGULATION 36(3) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND SECRETARIAL STANDARD-2 ON GENERAL MEETINGS:

Item No. 4:

Considering the rich experience and expertise brought to the Board by Mr. Lalit Kumar Bararia, Mrs. Preeti Vimal Agrawal, Mr. Rajan Dalal and Mr. Snehal Muzoomdar, Independent Directors of the Company, it is proposed to pay a commission of ₹ 5,00,000/- (Rupees Five Lakh only) to each of Mr. Lalit Kumar Bararia, Mrs. Preeti Agrawal, Mr. Rajan Dalal, Independent Directors, and ₹ 2,50,000/- (Rupees Two Lakh Fifty Thousand only) to Mr. Snehal Muzoomdar, Independent Director of the Company in proportion to his tenure as Independent Director of the Company, (appointed with effective from 1st October, 2024) for the financial year 2024-25. Such payment will be in addition to the sitting fees paid for attending Board / Committee meetings during the said financial year.

The Board accordingly recommends the Ordinary Resolution as set out at item no. 4 of the Notice for approval of members of the Company.

None of the Directors, Key Managerial Personnel or any of their relatives, except the above-mentioned Independent Directors of the Company to whom the resolution relates, are concerned or interested, financially or otherwise, in the resolution set out at item no. 4 of the accompanying Notice of 61st AGM.

Item No. 5:

Mr. P. K. Choudhary, Managing Director of the Company, has been associated with the Company since last 34 years. He is a Chartered Accountant and Company Secretary and has vast knowledge and experience in the field of business operation, finance, merger & acquisitions and long-term business strategy.

Mr. P. K. Chaudhary was re-appointed as Managing Director by the members of the Company for a further period of 3 (three) years w.e.f. 1st July, 2024 till 30th June, 2027, and considering his experience, knowledge and contribution made in growth of the Company and upon recommendation of Nomination and Remuneration Committee and approval of Audit Committee of the Company, the Board of Directors revised the remuneration payable to him w.e.f. 1st April 2025 for remaining period of his current tenure, subject to approval of the members of the Company.

The details of revised remuneration payable to him for remaining period of his current tenure are as follows:

Sr. No.	Particulars	Details of revised remuneration
1.	Salary	₹ 5,25,000/- per month and special allowance of ₹ 2,66,600/- per month with an increase which may be decided by the Board of Directors from time to time within the limits, as specified in Schedule V to the Companies Act, 2013.
2.	House Rent Allowance	House Rent Allowance of ₹ 2,00,000/- per month with reimbursement of the cost of electricity, water, gas and maintenance in the premises etc. not exceeding ₹ 30,000/- per month.
3.	Conveyance / Motor Car	Provision of motor car and reimbursement towards driver and other running expenses up to ₹ 1,05,000/- per month.
4.	Medical	Reimbursement of medical expenses and insurance premium for self, spouse and dependent children, not exceeding ₹ 25,000/- per month.
5.	Servant Allowance	Provision for Servant Allowance ₹ 25,000/- per month.

Sr. No.	Particulars	Details of revised remuneration
6.	Leave Travel Concession	As per rules of the Company, not exceeding ₹ 43,750/- per month.
7.	Provident and other funds including superannuation and gratuity	As per rules of the Company's Scheme.
8.	Personal accident insurance	As per rules of the Company's Scheme.
9.	Club subscription	Reimbursement of club subscription fees of one club.
10.	Leave encashment	Encashment of leave accumulation as per the rules of the Company.

The Board considers that increase in remuneration of Mr. P. K. Choudhary for the remaining period of his current tenure is commensurate with the industry standards and accordingly, recommends the Ordinary Resolution as set out at item no. 5 of the Notice for the approval of the members of the Company.

A brief profile of Mr. P. K. Choudhary and other relevant details as required by the Companies Act, 2013 read with Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Clause 1.2.5 of the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India are provided in Annexure-1 to this Notice. Mr. P. K. Choudhary does not hold any shares in the Company.

Except Mr. P. K. Choudhary, Managing Director and his relatives, none of the other Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at item no. 5 of the accompanying Notice of the 61st AGM.

Item No. 6:

As per Section 204 of the Companies Act, 2013 ("the Act") read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, every listed company is required to annex with its Board's Report, a secretarial audit report, issued by a Practicing Company Secretary.

Further, Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), requires every listed entity to undertake secretarial audit by a secretarial auditor who shall be a peer reviewed company secretary and shall annex a secretarial audit report with its annual report.

Under the Listing Regulations, every listed entity shall upon recommendation of the Board of Directors appoint / re-appoint an individual as a secretarial auditor for not more than one term of 5 (five) consecutive years or a secretarial audit firm as secretarial auditor for not more than 2 (two) terms of 5 (five) consecutive years, subject to shareholders' approval at the

2. OPERATIONAL PERFORMANCE AND OUTLOOK

On a standalone basis, the Company achieved a higher total revenue of ₹ 32,508.01 Lakh during the financial year under review compared to ₹ 29,768.43 Lakh in the previous financial year registering a growth of 9.20%. The net manufacturing revenue was also higher by 13% from ₹ 25,016.21 Lakh to ₹ 28,356.45 Lakh.

The Investment Income during the financial year under review was lower at ₹ 4,081.16 Lakh as compared to ₹ 4,699.53 Lakh in the previous financial year. Considering volatile market conditions & falling interest rate regime and taking into the account the other Comprehensive income, overall performance was good and was achieved with judicious deployment of funds in various asset classes.

The gross profit of the Company was much higher at ₹ 6,786.61 Lakh as against ₹ 5,221.63 Lakh in the previous financial year. After considering the interest of ₹ 8.40 Lakh, depreciation of ₹ 1,032.71 Lakh and settlement related amount of disputed claims of ex-workmen of ₹ 1,275 Lakh, Profit before tax was at ₹ 4,470.50 Lakh (previous year ₹ 4,260.16 Lakh). With a tax provision of ₹ 970.77 Lakh (previous year ₹ 819.01 Lakh) Profit after tax stood at ₹ 3,499.73 Lakh as against ₹ 3,441.15 Lakh in the previous financial year. Other comprehensive income, net of tax during the financial year was ₹ 6,582.11 Lakh (previous financial year ₹ 3,435.40 Lakh) and the total comprehensive income was ₹ 10,081.84 Lakh (previous financial year

₹ 6,876.55 Lakh).

It was another successful year on the journey of excellence & growth and the Company posted excellent results with the highest ever revenue and profitability. Growth was led by strong traction in Rail Friction Material Business.

Global economy continues to present a mixed trend. Multiple factors like heightened geo-political volatility, prolonged conflicts in Eastern Europe, ongoing tension in middle East, tariff threats, elevated interest rate and fiscal tightening contribute to the uncertainty of the global economic outlook. Encouragingly, inflation has softened over the highs of the previous year and is expected to continue to moderate.

Amidst these conditions, Indian economy has continued to grow with resilience. With a projected GDP growth of 6.5% in the fiscal year 2024-25, it continues to be the fastest growing major economy in the world. This strength is attributed to sustained domestic demand and the growing working population. The sharp focus on improving productivity in both manufacturing and agriculture sectors, coupled with a promising growth outlook, bodes well for overall demand creation for both Commercial and Passenger Vehicles.

Indian Automotive industry demonstrated remarkable resilience & growth and emerged as world's third largest automotive market. In 2024-25, the industry demonstrated a mixed but generally positive performance across key segments. Passenger vehicle sales grew modestly by

2% reaching 4.3 million units, reflecting steady consumer demand. The commercial vehicle segment experienced a slight decline of 1.2% with sales dipping to 0.96 million units, indicating some softness in freight and transport activity. Two wheelers posted an impressive growth of 9.1%, crossing 19.6 million units, underscoring its continued popularity and expansion in both urban and rural markets. Overall, these trends highlight sustained momentum in personal and light commercial mobility, supported by favorable economic policies and improving consumer confidence.

Indian rail infrastructure continues to grow with introduction of high-speed trains, new tracks, dedicated freight corridor expansion, higher freight loading, new safety measures etc. The railway sector has seen rapid development, investment and support from the Government with higher allocation of fund.

Amid the dynamic landscape of the automotive and rail sector, our Company continued its growth trajectory and posted excellent results. Our Company is deeply aware of customer expectations and has taken proactive measures to align itself toward the development of high-performance products. The Company continues to emphasise on improvement in operational efficiencies, higher productivity, and prudent cost control measures.

The Company has taken several steps towards sustainability including installation of 1.65 MWp on-sight Solar plant (which meets about 25% of total electricity requirement of Paithan plant), putting up recycling plant to use waste materials, elimination of asbestos products, putting up plantation around the plant. Installation of 0.35 MWp on-sight Solar plant at Bhandara is under progress.

The company entered into a long-term settlement with workers' union at Paithan plant for 3 years effective from December 24.

The investment segment faced some challenges related to fluctuations in interest rates, volatile stock market, currency depreciation and global uncertainties. However, performance of investment operations remains stable with a conservative approach towards deployment of funds, keeping capital protection in focus.

The working of Company's Joint venture viz. Compo Advics (India) Private Limited, has slightly improved with several step taken towards change in product mix and cost reduction program.

The Company has started a new business line of 'trading in metals and commodities' w.e.f. 1st April, 2025, to have new revenue stream, which will increase its overall profitability.

The outlook for the financial year 2025-26 remains positive with continued growth prospectus of automotive and rail industry in terms of underlying demand. With a clear focus on innovation and customer satisfaction, the Company is well positioned to achieve its plans and will remain a major player in its business segment.

3. THE CHANGE IN THE NATURE OF BUSINESS

There was no change in the nature of Business of the

Company during the financial year 2024-25, except start of trading in metals and commodities.

4. MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION BETWEEN THE END OF THE FINANCIAL YEAR AND DATE OF THE REPORT

There were no material changes and commitments affecting the financial position of the Company between the end of the financial year to which the financial statements relate and the date of this annual report, except starting a new business line of trading in metals and commodities, which will have positive impact on financial position of the Company.

5. SHARE CAPITAL OF THE COMPANY

During the financial year under review, there was no change in the share capital of the Company. [Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Hindustan Composites Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Hindustan Composites Limited** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluation of the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended **31st March, 2025** ('Audit Period') generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (not applicable to the Company during the Audit Period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (not applicable to the Company during the Audit Period);
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (not applicable to the Company during the Audit Period);
 - e. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (not applicable during the Audit Period);
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (not applicable to the Company during the Audit Period);
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (not applicable to the Company during the Audit Period); and
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (vi) As informed and certified by the management of the Company, there are no laws that are specifically applicable to the business activities carried on by the Company based on its section / industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards (SS – 1 and SS – 2) issued by the Institute of Company Secretaries of India.

During the Audit Period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the Audit Period were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors and members to schedule the Board and Committee meetings respectively, agenda and detailed notes on agenda were sent at least seven days before and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board meetings and Committee meetings were taken unanimously as recorded in the minutes of the respective meetings.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there was no specific event or action in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. having a major bearing on the company's affairs.

ANNEXURE - D

DETAILS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

A Conservation of energy		
(i) the steps taken or impact on conservation of energy	1. Solar-powered street lights installed across the plant premises to harness renewable energy for exterior lighting. 2. Energy monitoring system deployment initiated, enabling real-time tracking of electrical consumption and facilitating targeted energy-saving. 3. Polycarbonate daylight panels installed in manufacturing shops to utilize natural lighting during daytime hours, minimizing dependency on artificial lighting. 4. Natural - draft wind ventilators added to the shop floor, improving air circulation without electricity-based ventilation. 5. Old air compressor replaced with a modern energy-efficient unit equipped with VFD control, ensuring optimized compressor usage and lower operating costs.	
(ii) the steps taken by the company for utilizing alternative sources of energy	1. Installation of additional 250 kWp roof mounted Solar plant at Paithan plant making a total installation of 1.65MW 2. Renewable energy now contributes to approximately 25% of overall energy consumption at Paithan. 3. Initiated installation of 350 kWp solar power plant at Bhandara plant	
(iii) the capital investment on energy conservation equipment	₹ 69.00 Lakh (Previous year ₹ 524.00 Lakh)	
B Technology absorption		
(i) the efforts made towards technology absorption	1. Development of high performance Disc pad for LHB railway coaches. 2. Development of new reference of railway brake block for overseas customers. 3. Development of high performance Random woven clutch facing. 4. Development of high-performance CV liners for Bus/Tipper/Traller application. 5. Acquisition of latest Analytical instruments - DTA-TG System from Shimadzu, Japan and latest Cluch Burst machine with heating arrangement. 6. Upgradation of prototype manufacturing facility at R&D centre. 7. Upgradation of dynamometers with new software. 8. Introduction of new generation raw material including nano material to upgrade product and optimize the cost. 9. Engagement of services of overseas / domestic technical consultants for product improvement and new product development.	
(ii) the benefits derived like product improvement, cost reduction, product development or import substitution	1. Generation of additional business in Railway / Auto-OEM / Trade / Export segments. 2. Cost optimisation will help in the improvement of profitability.	
(iii) in case of imported technology (imported during the last 3 years reckoned from the beginning of the financial year)	Not Applicable	
(iv) the expenditure incurred on Research and Development	Capital ₹ 67.50 Lakh (Previous Year ₹ 26.89 Lakh) Revenue ₹ 273.44 Lakh (Previous Year ₹ 240.36 Lakh)	
C Foreign exchange earnings and outgo		
(i) The foreign exchange earned (actual inflows)	₹ 516.53 Lakh (Previous year ₹ 736.97 Lakh)	
(ii) The foreign exchange outgo (actual outflows)	₹ 467.60 Lakh (Previous year ₹ 330.63 Lakh)

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development

Global Economy

According to the UN Trade and Development report, the global economy remained resilient in 2024-25 despite heightened geopolitical uncertainties and macro-economic challenges. However, prolonged conflicts in Eastern Europe, ongoing tensions in the Middle East, rising protectionist policies and renewed volatility from tariffs have continued to disrupt trade flows and impact industrial production. The reimposition and uncertainty around tariffs, particularly by the US, have led to supply chain distortions and may increase costs for manufacturers globally. While geopolitical fragmentation, evolving trade regulations and uncertainties due to changing tariffs present challenges, the emerging markets like India stand to benefit from shifting global trade patterns and supply chain realignments.

While geopolitical volatility persisted, technological advancements, especially in AI and renewable energy, presented both significant opportunities for productivity gains and challenges related to workforce adaptation. This confluence of factors created a dynamic and uncertain economic landscape for businesses and policymakers worldwide.

Based on the April 2025 IMF figures, the global GDP growth is projected at 2.80% in 2025, indicating a steady but below-trend recovery. Advance economies have shown resilience, but elevated interest rates, fiscal tightening and sluggish productivity growth continue to weigh on economic momentum. Encouragingly, global inflation is expected to decline to 4.30% in 2025 and further to 3.60% in 2026, with advanced economies likely to reach their inflation targets sooner than developing economies, creating a more balanced risk environment. Geopolitical tensions and trade uncertainties remain significant risks to the global economy. A balanced policy approach is essential to manage these risks, enhancing medium-term growth prospects through structural reforms and stronger multilateral cooperation.

Indian economy

India's economy is a dynamic and rapidly expanding force, marked by resilience and innovation. As one of the fastest-growing economies globally, it has sustained robust growth, with the GDP projected to rise by 6.5 % in the fiscal year 2024-25. This impressive expansion is supported by strong domestic demand, government-backed infrastructure projects, and a thriving manufacturing sector, which continues to attract both local and foreign investments. On the trade front, India has shown remarkable progress. Exports have reached US\$ 821 billion, driven by sectors like electronics, textiles, and agricultural products. Imports, on the other hand, have grown to US\$ 915 billion, largely due to the rising demand for gold and petroleum, reflecting the country's energy needs and consumer habits. While

the trade deficit poses challenges, it also underscores opportunities for boosting domestic production and energy efficiency.

Retail headline inflation has softened in line with global deflation trends, decreasing from 5.4% in financial year 2023-24 to 4.6% in financial year 2024-25, exhibiting increased deceleration towards the later part of the year. However, food inflation that has remained a significant contributor to total inflation, continued to remain high, albeit decelerating in the last quarter of the fiscal. With early indications of softening food inflation, we will continue to monitor the trends. The Central Government allocated over ₹11 lakh crores to capital expenditure during the fiscal, contributing to 3.4% of the GDP. The agriculture sector received a boost through several schemes and incentives, driving a gradual recovery in financial year 2024-25. Increased grassroot-level structural reforms and a focus on deregulation are expected to bolster medium-term growth and competitiveness.

In response to easing inflation and supporting economic growth amid global headwinds, the RBI's Monetary Policy Committee (MPC) reduced the policy repo rate by 50 basis points to 5.50 % in June 2025. This marks the third consecutive rate cut, following a similar reduction in February & April 2025. The MPC also shifted its policy stance from "accommodative" to "neutral" indicating that there is no strong bias for any rate action.

India is at the forefront of digital infrastructure developments. In the year, India not only expanded its digital infrastructure but also focused on ensuring its accessibility, security, and impact on various sectors of the economy. This should set the stage for continued digital transformation and economic growth.

A few months ago, India demonstrated to the world its firm resolve to counter terrorism with zero tolerance. Operation Sindoor also unveiled India's transformation into a global player of significance in manufacturing indigenous, hi-tech defense systems. This remarkable progress is indeed a testament to India's vision to 'Make in India' and build on Atmanirbhar Bharat with India emerging as an economic, strategic and technological powerhouse.

Looking ahead, India is expected to maintain its position as one of the fastest-growing major economies. The momentum is anticipated to be driven by sustained government investments in infrastructure, a growing middle class, and increasing digital adoption. The Central Government's reforms aimed at boosting manufacturing, enhancing productivity and improving ease of doing business will play a crucial role in ensuring long-term sustainable growth. Within this, private consumption will play an important role. The ability to navigate global factors such as geopolitical developments, market sentiment shifts, and currency fluctuations will be crucial for maintaining growth momentum.

Indian Automotive Industry Overview

The Indian automobile industry is a cornerstone of the country's manufacturing sector and a significant contributor to the economy. This growth trajectory was driven by a resurgence in consumer demand, a trend towards premiumization, favorable government policies, and advancements in technology.

In FY 2024-25, India's automobile industry demonstrated remarkable resilience and growth, solidifying its position as the world's third-largest automotive market. The overall market size of the Indian automobile industry reached approximately \$137.06 billion, reflecting the sector's strong performance. The sector's expansion was driven by evolving consumer preferences, policy support and significant investments in infrastructure and technology.

As per the latest data released by the Society of Indian Automobile Manufacturers (SIAM), between FY 2023-24 and FY 2024-25, the Indian automobile industry demonstrated a mixed but generally positive performance across key segments. Passenger vehicle sales grew modestly by 2 %, reaching 4.3 million units, reflecting steady consumer demand. The commercial vehicle segment experienced a slight decline of 1.2 %, indicating some softness in freight and transport activity. In contrast, the three-wheeler segment showed strong growth of 6.7 %, driven by increased demand for urban mobility solutions. The two-wheeler segment, which remains the largest category, posted an impressive growth of 9.1%, crossing 19.6 million units, underscoring its continued popularity and expansion in both urban and rural markets. Overall, these trends highlight sustained momentum in personal and light commercial mobility, supported by favorable economic policies and improving consumer confidence.

The domestic sale of Automobiles during the financial year 2024-25 vis-a-vis 2023-24 experienced a modest recovery across segments except two-wheelers as under:

Segment	2024-25	2023-24	Growth
	Nos.	Nos.	
Passenger Vehicle	43,01,848	42,18,746	+2.0 %
M & H Commercial Vehicle	3,73,819	3,74,012	-0.1%
Light Commercial Vehicle	5,82,852	5,94,758	-2.0%
Small Light Commercial Vehicle			
3 wheelers	7,41,420	6,94,801	+6.7%
2 Wheelers	1,96,07,332	1,79,74,365	+9.1%

(Source – SIAM data)

Outlook: The Indian automotive industry is poised for a transformative change, with vehicle sales expected to

grow to approximately 7.5 million units by 2030. This growth trajectory is being fueled by a combination of demographic, economic, and policy-driven factors. A rapidly expanding middle class, increased urbanization, and rising disposable incomes are set to elevate personal mobility aspirations across the country. All segments of the industry are expected to continue with the growth momentum in FY 2025-26, building on the robust performance of recent years due to stable macroeconomic conditions, proactive government policies and infrastructure spending by the government.

A normal monsoon, as currently forecasted for 2025, is expected to support broader economic activities especially in rural-urban regions, which would be a tailwind for auto sector demand.

The sector will also benefit from the reforms in the personal income tax announced in the recent Union Budget of 2025-26, which has been followed by two back-to-back rate cuts by RBI. These measures would help in creating demand by the increased accessibility of vehicle financing.

Export demand in key markets of interest, such as Africa and neighboring countries is likely to continue and "Made in India" vehicles are gaining traction.

Crucially, the sector is undergoing a structural shift towards sustainability and digitization. The adoption of electric vehicles (EVs) is expected to gain significant momentum, supported by proactive government initiatives, increasing environmental consciousness, and improving charging infrastructure. By 2030, EVs are likely to represent a substantial share of new vehicle sales, driven by both two-wheelers and passenger vehicles. Technology will be a defining force in this evolution. The consolidation of EV platforms is anticipated to optimize manufacturing efficiencies and enable scale, while the adoption of connected and smart mobility solutions will redefine user experiences. The integration of AI, IoT, and advanced telematics is set to create a more seamless, safe and intelligent transportation ecosystem.

Furthermore, the Indian auto industry is expected to play a key role in global supply chains, leveraging its manufacturing strengths and engineering talent. As companies pivot cleaner and smarter vehicles, the country is well-positioned to emerge as a hub for innovation and production in the new mobility era. Overall, the coming years will not only witness volume growth but also a qualitative transformation in how mobility is defined, delivered, and experienced in India.

Indian auto components industry overview

The Indian auto component industry, a key enabler of the country's mobility ambitions, is poised for an 8-10% revenue growth in FY 2025-26, according to a recent report by ICRA. While this represents a moderation from the 14% expansion seen in FY 2023-24, the outlook remains broadly optimistic underpinned by sustained domestic demand, the rising electrification of mobility, and proactive capacity expansion by leading players.

From being a support function to OEMs to becoming a globally competitive, innovation driven value chain, the Indian auto component industry has evolved remarkably.

Domestic market momentum: Passenger vehicles and commercial vehicles continue to witness strong replacement and discretionary demand, especially in urban and semi-urban markets. The sustained uptick in vehicle production volumes translates into higher off-take for component suppliers.

Electric vehicles and technology shift: India's transition toward electric mobility is accelerating. Auto component players are investing heavily in EV-specific parts such as battery packs, controllers, thermal management systems, and power electronics. Yet, with only 30-40% of the EV supply chain currently localized, this space remains ripe for innovation and backward integration. The projected Rs 25,000-30,000 Crore in capital expenditure for FY 2025- 26 will largely go into building EV capacity, indigenizing key inputs, and enhancing technological capabilities.

Export opportunities:

Indian auto component manufacturers have made strong inroads into global supply chains, particularly for engine, transmission, and suspension parts. While high freight costs and geopolitical uncertainties may temporarily affect export volumes, India remains a favored sourcing hub due to its cost advantage, engineering expertise and expanding product portfolio. India's auto component sector is entering a transformative phase marked by capability building and strategic realignment. With the near-term growth outlook expected to stabilize after years of double-digit expansion, the industry is recalibrating its priorities to build resilience and long-term strength.

A clear thrust on localization, particularly in EV and advanced electronic components, is reducing import dependence and enhancing value addition. Simultaneously, companies are expanding their global footprint beyond traditional markets by tapping into newer regions such as Africa, Latin America, and Southeast Asia. This shift is complemented by a growing emphasis on digitalization and sustainability. Industry players are increasingly embracing smart manufacturing, data-driven operations and ESG-aligned practices to future-proof their businesses. At the same time, consolidation and strategic alliances are accelerating across the value chain, enabling access to scale, technology and new customer segments. Together, these shifts are reshaping the contours of the Indian auto component industry. With a unified focus on localization, diversified markets, digital transformation and collaborative growth, the sector is well-positioned to lead the next phase of India's manufacturing and innovation journey.

Indian Railway Infrastructure

India has the fourth largest railway system in the world, following the US, Russia and China. The railway sector has seen many rapid developments, investments and

support from the Government in the recent past. Indian railways with over 68,000 route kilometers continue to be a vital driver of economic growth and connectivity. It runs 13,523 passenger trains and 9,146 freight trains daily on its network with passenger trains running at an average speed of 51 kmph and freight trains at 24 kmph. 750 Crore people travel by train every year as per the statistics of 2024 and have targeted to take this figure to 1000 Crore people per year. The Railway carries 1500 million Ton of goods per annum, making it second largest freight carrier globally and aims to take this to 3000 million Ton by 2030.

Other key focus areas include:

1. Tracks for speeds up to 130 kmph stands at 80,000 kms and 30,000 kms for speeds up to 110 kmph
2. 96.4% of the Dedicated Freight Corridor (East and West) has been completed covering 2843 kms.
3. DFCIL now handles 13% of Railway freight with just 4% of the rail network. Average daily trains on DFC in Q1 FY 2025-26 is now 392 up from 328 a year earlier.
4. As of July 2025, there are 72 Vande Bharat trains in operation covering 16 zonal railways. There are plans to introduce 200 new Vande Bharat trains in the coming year.
5. Indian Railways plans to introduce 5,688 nos of LHB coaches in FY 2025-26 to enhance passenger safety and comfort.
6. Safety initiatives are a priority, with a budget allocation of ₹ 1.16 lakh crore for track renewal, signaling upgrades, KAVACH installations.
7. As of June 2025 99%, of electrification has been achieved with the balance to be completed within this fiscal year
8. Public-Private Partnerships boosting investment in manufacturing and infrastructure

Metro Rail & Urban Transit

Urban transport is undergoing rapid transformation with 20+ cities operating metro systems and several new networks under development. Metro projects are designed for high energy efficiency, safety, and passenger comfort, driving demand for advanced, safety-critical components and technology-driven solutions.

The government's focus on railway is very clear, with a thrust on investment in infrastructure, the Union Ministry of Railways has been allocated Rs. 2.52 Lakh Crore for the financial year 2024-25, up by nearly 5% from the previous year's allocation of Rs. 2.41 Lakh Crore. Over 85% of the CAPEX budget was successfully achieved in 2023-24 by the Railway, proving their commitment to rail development. The Railways primary focus is on safety, enhancement of capacity and induction of new modern technologies.

Opportunities and threat

India is projected to remain the fastest-growing major economy in 2025, according to the latest assessments from international bodies and domestic reports. The International Monetary Fund (IMF) revised India's GDP growth forecast upward to 6.4% for both 2025 and 2026, citing a "benign external environment" and robust domestic demand driven by continued reforms and public investment.

Key drivers and factors shaping India's growth are as follows:

- **Robust Consumption & Public Investment:** Strong domestic demand and government spending continue to fuel India's expansion.
- **Infrastructure Push:** Government initiatives like the National Infrastructure Pipeline, Bharatmala Pariyojana, Sagarmala and UDAN are driving significant infrastructure development across roads, railways, airports, and waterways, aimed at improving connectivity, reducing logistics costs and enhancing competitiveness.
- **Manufacturing & Services Sector Growth:** The manufacturing sector, supported by initiatives like Make in India and the Production-Linked Incentive (PLI) Scheme, is contributing to export growth and creating jobs. The services sector, especially IT and digital services, remains a significant contributor to India's economy and is poised for continued growth.
- **Technological Advancement:** India is witnessing rapid advancements in technology across various sectors, including IT, digital payments, renewable energy, and defence, which contribute to increased productivity and economic diversification.
- **Foreign Investment & Trade:** India remains an attractive destination for foreign direct investment (FDI), with cumulative inflows reaching substantial figures and continued efforts to position the country as a global investment hub. Exports are also on a growth trajectory, reaching record highs, with services exports playing a significant role in this growth.
- **Inflation Management:** India has successfully navigated inflation, keeping it within the RBI's target range and creating space for potential monetary policy easing to support growth.

The Indian automobile industry is projected to continue its growth trajectory, with total vehicle sales expected to exceed 5 million units in FY 2025-26 with several key factors influencing its trajectory. The passenger vehicle segment is expected to maintain its upward trend, driven by sustained consumer interest in SUVs and the introduction of new models catering to this demand. Automakers are likely to focus on innovation and feature enhancements to attract a broader customer base.

The commercial vehicle sector is anticipated to experience a rebound, supported by increased infrastructure investments and economic activities. Government initiatives aimed at boosting infrastructure development are expected to stimulate demand for commercial vehicles, particularly in construction and logistics sectors.

The Indian Railway network continues its expansion, boasting a total route length of more than 68,000 Kms and a total track length of more than 132,000 kms. In the last 10 years Railway has added 31000 Kms of new tracks. In the financial year 2023-24 itself, Railway has added 5200 Kms of tracks to its network, and it has a vision to go on adding 5000 + Kms on yearly basis for the next 6-8 years.

With all these initiatives and actions, opportunities for the railway industry are set to expand exponentially in the coming years to support the growing infrastructural needs of the Railway in India.

Considering above factors, demand for the Company's products used in segments like Commercial Vehicles, passenger cars, tractors, railway and industry should improve considerably. Our Company will remain a part of this change with appropriate products and solutions for customers. The Company will continue to put a thrust on new product development to meet the changed requirement of customers, provide better customer service and continue to work towards up-gradation of technology, improvement in quality, cost rationalization, cash preservation and digitalization. Besides, the Company will aggressively pursue opportunities for new OEM approvals, improve market share in OE and aftermarket. The Company will continue to work with Indian Railway to develop superior friction material for its requirements. Your Company, with established expertise in braking and friction materials across rail and automotive sectors, is well positioned to leverage this dual-market transformation.

Strategic initiatives include:

- Capacity expansion aligned with production growth across auto and rail segments;
- Investment in R&D for low-noise, high thermal stability friction formulations;
- Strengthening partnerships with OEMs and aftermarket distributors;
- Work closely with RDSO and other railway agencies to develop superior grade of friction materials ;
- To increase its footprint in the export market for entire range of friction materials for auto, rail and industrial applications.

Challenges and considerations:

- **External Headwinds:** Global economic slowdown, trade tensions, and geopolitical uncertainties pose potential risks to India's growth prospects, particularly impacting export performance;

- Disruption in supply chain due to geopolitical tensions;
- Slow pace in government infrastructure spending;
- High GST rates for few components which encourage spurious goods;
- Low availability of skilled manpower in manufacturing segment;
- Private Investment Appetite: Despite easier monetary conditions, private investment uptake remains somewhat cautious, potentially limiting the pace of economic acceleration.

Overall, India's growth story in 2025 is characterized by strong fundamentals, government-backed reforms, and promising sector-specific growth. While external challenges persist, India's domestic resilience, infrastructure focus, technological adoption, and financial inclusion initiatives suggest a continued upward trajectory. The emphasis on sustainable development and inclusive growth further positions India as a key player in the evolving global economic landscape.

Risk Factors & Mitigations:

- Raw material cost inflation → Managed via diversified procurement. Maintaining inventory and cost control
- Supply chain disruptions → Mitigated by dual sourcing and localizing critical inputs
- Regulatory shifts (emission/safety norms) → Addressed through continuous product innovation and certification.

The Company has chosen areas of opportunity within the larger framework of the current challenges. The Company has significantly improved its position in OEM, aftermarket and rail segment and reported a sales growth of 9.00% over the last year.

In the investment segment, the Company's funds are invested in various asset classes including debt and equity. The volatility in the market may adversely affect returns due to Mark to Market losses. To overcome this risk, the Investment Committee reviews the investments on a regular basis and takes appropriate decisions. The portfolio is managed with the advice of professional fund managers.

2. Segment-wise or product-wise performance

The Company operates in two segments viz. composite products, and investment. During the year under review, the revenue from composite products stood at **Rs. 28,427 Lakh (previous F.Y. Rs. 25,069 Lakh)** and in the investments segment, this stood at **Rs. 4,081 Lakh (previous F.Y. Rs. 4,700Lakh)**.

The segment result before unallocable expenses, interest and tax from Composite products was **Rs. 3,481 Lakh (previous F.Y. Rs. 2035 Lakh)** and Investments was **Rs. 2,869 Lakh (previous F.Y. Rs. 3,518 Lakh)**.

Key Operational highlights FY 2024-25:

- The Company implemented several energy conservation initiatives, including installation of solar plant, lighting upgrades, putting transparent roofing sheets for natural lighting, process optimization, and equipment automation, resulting in notable reductions in power consumption and improved sustainability performance.
- Manufacturing operations were streamlined through the adoption of lean practices and the reorganization of equipment, leading to improved efficiency, reduced inventory, and enhanced throughput.
- Cost reduction efforts across energy, manpower, maintenance, raw materials, and packaging yielded significant savings, with overall cost efficiencies exceeding set targets for the year.
- Quality performance improved through regular audits, employee awareness programs, and structured quality initiatives, resulting in a sharp decline in defect rates and overall product rejections.
- Workforce efficiency was strengthened by optimizing manpower deployment, closely monitoring overtime, and driving resource rationalization without compromising productivity.
- Upgrades in tooling and automation enhanced production capability and consistency, supporting increased output volumes and reduced dependence on manual intervention.
- Process innovations across key operations contributed to lower carbon emissions and more sustainable production practices, reinforcing the Company's commitment to environmental responsibility.
- In-house maintenance and retrofitting of machinery improved equipment availability and extended asset life, reducing the need for external support and cutting down capital expenditure.
- A strong trend of continuous improvement was fostered through increased employee participation in Kaizen and other structured problem-solving activities, driving operational excellence across the board.
- Achieving Cost Leadership: We are committed to being the best at managing our costs. This means a focused effort on actively reducing expenses related to raw materials, employee wages (manpower costs), and the overall cost of manufacturing our products.
- Continuous New Product Development in auto, rail and industrial friction material segments with in-house R & D efforts and assistance collaborators.
- Building a Skilled and Motivated Team: We believe our people are our greatest asset. We are dedicated to creating a team that is highly capable, inspired, and knowledgeable. This will be achieved

by fostering a strong performance-driven culture where individual and collective efforts contribute directly to our company. Getting certified for Great Place to Work is a testament to our mission.

3. Outlook

Despite geo-political uncertainties and global slowdowns, we are optimistic about the prospects of Indian economy in general and the Auto & Rail segments in particular. With continued government focus on manufacturing and infra development, Automotive industry is poised for significant growth. Indian Auto component industry has emerged as a strong growth driver and expected to become the third largest in the world by 2025 and component exports are expected to grow by five times in 10 years. Similarly, rail sector in India will keep growing with clear focus of government to increase rail network & speed of trains, modernize coaches, passenger comfort, and increase safety parameters.

Considering above, outlook and demand for Company's products remain positive. However, potential challenges such as a global economic slowdown and higher interest rates could temporarily impact demand. Yet, our ability to innovate and adapt changes will be pivotal as it continues to evolve, ensuring its resilience and sustained growth in the long run.

15. Other disclosures:

i. Related Party Transactions:

During the financial year 2024-25, the Company

had no transactions with its promoters, directors or with their relatives etc. which may have conflict with the interest of the Company. Details on materially significant related party transactions are given in the appended financial statements under Notes to Accounts. The policy on dealing with Related Party Transactions is available on Company's website at <https://www.hindcompo.com/investor-relations/documents/related-party-transaction-policy.pdf>. The disclosure as required by Indian Accounting Standard (IND AS-24) on "Related Party" are given in the appended Standalone and Consolidated Financial Statements under Notes to Accounts.

ii. Compliance by the Company:

The Company has complied with all the requirements of the Listing Regulations as well as other regulations and guidelines issued by the SEBI from time to time. No strictures or penalties were imposed either by the SEBI or Stock Exchanges or any other statutory authorities for non-compliance of any matter related to the capital markets during the last three financial years, except fine imposed by BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE') for appointment of Mr. Vinay Sarin as an Additional Non-Executive Non-Independent Director of the Company, who was attaining 75 years of age before his appointment as director in general meeting, without passing special resolution by the members of the Company as required under Regulation 17(1A) of the Listing Regulations.

The Board of Directors of the Company in its meeting held on 30th June, 2023 appointed Mr. Vinay Raj Sarin as an Additional Director of the Company (Non- Executive Non-Independent) w.e.f. 1st July, 2023 and also approved the Notice of AGM dated 30th June, 2023 seeking members' approval by way of special resolution for appointment of Mr. Vinay Raj Sarin as Non-Executive Non-Independent Director and on the date of appointment by the Board of Directors, the age of Mr. Vinay Raj Sarin was below 75 years, his appointment as Non- Executive Non-Independent Director of the Company was approved in the next annual general meeting by the members of the Company by passing a special resolution, held on 29th September, 2023, within three months from the date of appointment.

The Hon'ble Securities Appellate Tribunal ('SAT') in the matter of 20 Micron Limited vs. SEBI & Ors., decided on 28th November 2023, held that:

'Regulation 17(1A) and 17(1C) has to be read harmoniously with the provisions of Section 152(2) and 161(1) of the Act which will make it clear that a person above the age of 75 years can be appointed by the Board of Directors. Such appointment is required to be approved subsequently within the

prescribed period by a special resolution in the next general meeting by the members of the Company which in the instant case was done within the prescribed period. In view of the aforesaid, no penalty could have been imposed by the BSE and NSE for violation of Regulation 17(1A) of the LODR Regulations'.

Further, the Hon'ble Securities Appellate Tribunal ('SAT') in the matter of Nectar Life Sciences Ltd. vs. SEBI & Ors., Appeal no. 185/2023 decided on 27th April, 2023, held that:

'This Tribunal considered the provisions of Regulations 17(1A) with other provisions and held that the word "unless" as depicted in Regulation 17(1A) does not mean "prior approval" nor the requirement of passing a special resolution was a qualifying condition for appointment as a director.'

In view of the facts and circumstances of the matter and above SAT judgements, the Company has not violated the provisions of Regulation 17(1A) of the Listing Regulations. However, under protest, the Company has made payment of fines imposed by the BSE and NSE and preferred necessary application before the BSE Ltd. (designated stock exchange) and NSE for waiver of fines imposed.

iii. Whistle Blower policy / Vigil Mechanism and affirmation that no personnel have been denied access to the Audit Committee:

The Company has established a mechanism for employees to report concerns about unethical behavior, actual or suspected fraud, or violation of code of conduct or ethics policy. The mechanism also provides for adequate safeguards against victimization of employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee in the exceptional cases. We affirm that during the financial year 2024-25, no director or employee was denied access to the Audit Committee.

iv. Adoption of mandatory and non-mandatory requirements of Regulation 27 of the Listing Regulations:

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

TO THE MEMBERS OF
HINDUSTAN COMPOSITES LIMITED

We have examined the compliance of conditions of corporate governance by **HINDUSTAN COMPOSITES LIMITED** ('the Company') for the year ended March 31, 2025 as stipulated in Regulations 17-27, clauses (b) to (i) of sub regulation (2) of Regulation 46 and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Management's Responsibility for compliance with the conditions of Listing Regulations

The compliance of the conditions contained in the corporate governance is the responsibility of the Management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations of the Company including the preparation and maintenance of all relevant supporting records and documents.

Auditor's Responsibility

Our examination was limited to procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ('ICAI'), Standards on auditing specified under section 143(10) of the Companies Act, 2013 and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on the procedures performed by us and to the best of our information and according to explanations given to us and representations made by the management, in our opinion, we certify that the Company has complied, in all material respects, with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations during the year ended March 31, 2025.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on Use

The certificate is addressed to and provided to the Members of the Company solely for the purpose to enable the Company to comply with requirement of aforesaid Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

Independent Auditors' Report

To The Members of
Hindustan Composites Limited

Opinion

Report on the Audit of Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Hindustan Composites Limited** ("the Company"), which comprises of Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by in terms of their report referred to in the other matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matters
Classification, Valuation and Impairment of unquoted equity instruments /debt Investments: (Refer note 3 & 8 of the standalone financial statements) The Company's -substantial assets are quoted and unquoted investments in equity/debt Instruments. Out of total investments held as on March 31,2025, unquoted investments in equity/debt Instruments comprises of ₹ 43,748.25 Lakhs (representing 45.47%). These Investments are classified and measured at Fair value through profit or loss (FVTPL) /fair value through other comprehensive income (FVOCI). Due to their unique structure and terms which involve the use of judgemental assumptions in valuation/impairment and not on quoted prices in active markets. Therefore, there is significant measurement uncertainty involved in this valuation/impairment. As a result, the valuation/impairment of these instruments was significant to our audit.	We focused on valuation of these instruments/investments and have carried out the following key audit procedures: - Understood the Company's process and procedures and tested controls to ensure proper classification and valuation/impairment of investments. - Tested recording of investments on sample basis and verified classification of investments. - Assessed valuation of these investments to examine whether the same is in accordance with the Company's accounting policies. - Tested impairment/provision of investments (including reversal) - In respect of unquoted investments, we evaluated the Company's valuation methodology and assumptions and corroborated these with internal Investment policies including those related to impairment.

Key Audit Matters	How our audit addressed the key audit matters
	- For any changes in ratings of the investee company, we examined the Company's assessment with the internal Investment policies for reclassification and valuation. - Also obtained external evidence of existence of investment by getting holding statement from the custodian /statement from the fund houses as well through publicly available filings from time to time - We have also perused the relevant internal audit reports on investments. Based on the work carried out, we did not come across any significant matter which suggests that the investments were not properly classified or valued. .

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report, Business responsibility report, Corporate Governance report and Management Discussion and Analysis, but does not include the standalone financial statement and our auditor's report thereon. As explained, the other information is under preparation by the management till the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The aforesaid other information is not made available to us as at the date of this auditor's report and therefore, we have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our opinion on the standalone financial statement and our report on the other legal and regulatory requirements below is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 (as amended).
 - (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representation received from the directors as on March 31, 2025, taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a Directors in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
- (g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197(16) of the Act.
- (h) With respect to the matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements, wherever it is quantifiable. [Refer note no 33 to standalone financial statements]
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. [Refer note no. 53(e) to standalone financial statements]
 - b) The management has represented, that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. [Refer note no. 53(f) to standalone financial statements]
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.
 - v. The final dividend paid by the Company during the year declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
The Board of Directors of the Company has proposed final dividend for the financial year 2024-25 which is subject to the approval of the Members at the ensuing annual general meeting. The dividend recommended by the Board is in accordance with Section 123 of the Act to the extent it applies to the recommendation of dividend [Refer note no. 46(b) to standalone financial statements].
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with except for the feature of recording audit trail (edit log) facility was not enabled at the database level for one accounting software to log any direct data changes for the accounting software used for maintaining the books of account. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention. (Refer note 55 to the financial statements).

Annexure “A” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the Members of Hindustan Composites Limited for the year ended March 31, 2025:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

- i. a. In respect of Company’s Property, Plant and Equipment (PPE) and Intangible Assets:
 - A. The Company has maintained proper records, showing full particulars, including quantitative details and situation of PPE.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, it has a phased program for physical verification of the PPE for all its locations. According to which, the Company has carried out physical verification of all its Plant and Machinery at Paithan Plant and Vehicles at all locations. In our opinion, the frequency of verification is reasonable considering the size of the Company and nature of its PPE. According to the information and explanations given to us and on the basis of our examination of the records of the Company, no material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statements included under property, plant and equipment (other than properties where the Company is lessee and lease agreements are duly executed in favour of the Company), are held in the name of the Company.
- d. The Company has not revalued any of its PPE (including right- of-use assets) and intangible assets during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.
- e. According to the information and explanations given to us and on the basis of our examination of the books and records of the Company, neither any proceedings have been initiated during the year nor are pending as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company. [Refer note no. 53 (a) to standalone financial statements]
- ii. a. The inventories have been physically verified by the management at reasonable intervals during the year except for goods in transit and those lying with third parties which have been verified with subsequent receipts. The procedures of physical verification of the inventories followed by the management and its coverage is reasonable and adequate in relation to the size of the Company and nature of its business. As per the information and explanations given to us and on the basis of our examination of the records of the Company, no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.
- b. According to the information and explanations given to us on the basis of our examination of the books and records, the Company has not been sanctioned working capital limit in excess of ₹ 5 crores on the basis of security of current assets, in aggregate, at any point of time during the year from banks and financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- iii. During the year, in respect of Investment made, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, following loans have been given:

₹ in Lakhs

Particulars	Aggregate amount given during the year	Balance Outstanding as at March 31, 2025
A Subsidiaries, joint ventures and associates	Nil	Nil
B Other than subsidiaries, joint ventures and associates	1080.00	1475.00

Further, the Company has not given any advances in the nature of loans or guarantee or provided security to any other entity.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the investment made and loans given are in the ordinary course of business and accordingly in our opinion, prima facie, not prejudicial to the Company’s interest. The Company has not provided any guarantee and security given.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not renewed or extended the loan repayment period which has fallen due during the year or granted fresh loans to settle the overdues of existing loans given to same party and hence reporting under clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- iv. According to the information and explanations given to us and based on our examination of the records, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable with respect to the investments made and loans given. The Company has not provided any guarantee and security.
- v. According to the information and explanations given to us and based on our examination of the records of the Company, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to rules made by the central government for the maintenance of cost records under sub section 1 of Section 148 of the Act in respect of company's products and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. However, we are not required and therefore, we have not made a detailed examination of the cost records with a view to determine whether they are accurate and complete.
- vii.
 - (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Custom Duty, Duty of Excise, Value Added Tax, Cess and other statutory dues during the year with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us and based on our examination of the records of the Company, there are no statutory dues mentioned in clause vii (a) above which have been not deposited on account of any dispute.
- viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the order is not applicable to the Company. [Refer note no. 53 (d) to standalone financial statements]
- ix.
 - (a) Based on our audit procedures and on the basis of information and explanations given to us, we are of the opinion that the Company has not defaulted in the repayment of loans or other borrowings or in the repayment of interest thereon to the lenders and hence reporting under clause 3(ix) of the Order is not applicable to the Company.
 - (b) On the basis of information and explanations given to us, the Company has not been declared as willful defaulter by any bank or financial institution or other lender. [Refer note no. 53 (g) to standalone financial statements]
 - (c) According to the information and explanations given to us and based on our examination of the records, the Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
 - (d) According to the information and explanations given to us and based on our examination of the records of the Company, during the year, funds raised on short term basis have not been utilized for long term purposes.

- (e) Based on our audit procedures and on the basis of information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its joint venture and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company. The Company does not have an associate or subsidiary.
- (f) Based on our audit procedures and on the basis of information and explanations given to us, during the year the Company has not raised any funds on the pledge of securities held in its joint venture and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company. The Company does not have an associate or subsidiary.
- x. (a) The Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) Based on our audit procedures performed and according to the information and explanations given to us, no whistle blower complaints were received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with Section 177 and 188 of the Act and all the details have been disclosed in the standalone financial statements as required by the applicable Accounting Standard. (Refer note no. 47 to the standalone financial statements)
- xiv. (a) According to the information and explanations given to us and based on our examination of the records, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.
- (b) In our opinion, there is no core investment company within the "Companies in the Group" as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses during the financial year covered by our audit and as also in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is

based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. According to the information and explanations given to us and based on our examination of the records of the Company, there are no amounts unspent in respect of corporate social responsibility towards ongoing or other than ongoing projects and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company. (Refer note no. 54 to the standalone financial statements)
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of the audit of Standalone Financial Statements and hence no comment in respect of the said clause has been included in this report.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of **Hindustan Composites Limited** (“the Company”) as of March 31, 2025, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management; (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity’s assets that could have a material effect on the standalone financial statements; and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the Company from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over

financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

CORPORATE OVERVIEW:

Hindustan Composites Limited ("the Company") is a public limited company domiciled in India and is incorporated under the provision of the Companies Act, 2013 applicable in India. Its shares are listed on BSE Limited and National Stock Exchange of India Limited.

The registered office of the Company is located at Peninsula Business Park, A Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400 013 (Maharashtra).

The Company is engaged in the business of manufacturing and marketing of fibre-based friction material, consisting of Brake Liners, Roll Lining, Brake Block, Clutch Facing etc. and investments.

The Standalone Financial Statements has been approved in the board meeting held on 7th May, 2025.

A. MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

a) Basis of Preparation of Financial Statements:

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and amendment rules issued thereafter.

The financial statements of the Company are prepared on the accrual basis of accounting and historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value (refer note no. 43 financial instruments)
- ii) Defined benefit employee plan (refer note no. 42)

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Use of estimates and judgements:

The preparation of the financial statements requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property; plant and equipment and intangible assets

Property, plant and equipment and intangible assets are depreciated / amortised over their estimated useful lives, after taking into account its estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortisation for future periods is revised if there are significant changes from previous estimates. Depreciation on the fixed assets added/disposed of/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(c) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized in the financial statements.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

c) **Property, plant and equipment and Intangible assets**

Property, plant and equipment

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable GST and other expenses directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets

Technical Know-how and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight-Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease.

The company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believes that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Company amortizes computer software with a useful life using the straight-line method over the period of 6 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Assets held for sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria are met:

- (i) decision has been made to sell.
- (ii) the assets are available for immediate sale in its present condition.
- (iii) the assets are being actively marketed and

- (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

d) **As a lessee**

Operating Lease

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made on or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any, and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low-value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

e) **Cash and Cash Equivalents**

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

f) **Inventories**

Inventories of Raw Materials, Work-in-Progress, Stores and Spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower;

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'Weighted Average Cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

g) **Financial Instruments**

Financial assets - Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments

The company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.

Impairment

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of equity instruments measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from other equity to retain earning as a reclassification adjustment.

Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

h) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

i) Borrowings

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction

costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

j) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Provisions and contingent liabilities

Provisions for legal claims, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

l) Revenue recognition

i) Sale of goods:

Revenue from the sale of goods is recognised when the control of the goods passes to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

ii) Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

iii) Investment Income:

Dividend income on investments is recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

iv) Other operating Income:

Export incentives are accounted in the year of export.

v) Variable Consideration:

If the consideration in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled to in exchange for transferring goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved. Some contracts with the customers provide them with a right to return and volume rebates. The right to return and volume rebates gives rise to variable consideration.

The amount of variable consideration is calculated by either using the expected value or the most likely amount depending on which is expected to better predict the amount of variable consideration. Consideration is also adjusted for the time value of money if the period between the transfer of goods or services and the receipt of payment exceeds twelve months and there is a significant financing benefit either to the customer or the Company. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices. If standalone selling prices are not observable, the Company reasonably estimates those revenue is recognized for each performance obligation either at a point in time or over time.

m) Employee Benefits:

The Company provides following post-employment plans:

- (i) Defined benefit plans such as gratuity
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of the plan assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and

- (b) Net interest expense or income.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

n) Foreign Currency Transaction

The financial statements are presented in Indian rupee (INR), which is company's functional and presentation currency.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss as other income / miscellaneous expenses.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

o) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

p) Segment Reporting

The Company has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Company. The Managing Director evaluates the Company's performance and allocates resources as a whole.

q) Research and Development

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Company has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

r) Earnings Per Share

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

s) Contract balances

i) Trade Receivables:

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only a passage of time is required to before payment of the consideration is due).

ii) Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfer goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier. Contract liabilities are recognised as revenue when the company performs under the contract.

Risk exposure:

Through its defined benefit plans, Company is exposed to a number of risks, the most significant of which are detailed below:

Investment risk: The present value of the defined benefit plan liability is calculated using discount rate determined by reference to market yields at the end of reporting period on government bond yields.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Interest risk:- A decrease in the bond interest will increase in plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to best estimate of the mortality of plan participants both during and at the end of employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such an increase in salary of the plan participants will increase the plan liability.

The Code on Social Security:

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and recognise the same when the Code becomes effective.

c. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The categories used are as follows:

- Level 1: quoted prices for identical instruments in active market.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The below table summarises the categories of financial assets and liabilities as at March 31, 2025, and March 31, 2024 measured at fair value:

45 Risk Management

Financial risk management objective and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board. The risk management policies aims to mitigate the following risk arising from the financial instruments: (a) Market risk; (b) Liquidity risk and (c) Credit risk.

Financial risk factors

The Company's principal financial liabilities comprise borrowings, deposits from dealers and trade and other payables. The purpose of these financial liabilities is to finance the Company's operations and to provide to support its operations. The Company's principal financial assets include investments, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to the following risk arising from the financial instruments: (a) Market risk; (b) Liquidity risk and (c) Credit risk

Risk	Exposure arising from	Measurement	Management
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities; working capital management
Credit risk	Cash and cash equivalents, trade receivables, Investments, loans and other financial assets measured at fair /amortised cost	Ageing analysis/ Credit ratings / Assets Coverage	Diversification in various class of assets, credit limits

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Risk	Exposure arising from	Measurement	Management
Market Risk - Foreign exchange	Financial assets and liabilities denominated in INR	Cash flow forecasting Sensitivity analysis	Hedging Forex planning
Market Risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market Risk - Price risk	Investments in Equities, Bonds, debentures, funds	Sensitivity analysis; market fluctuations; credit rating	Continuous monitoring, Diversification

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintain sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short-term and long-term liabilities as and when due. Anticipated future cash flows, undrawn committed credit facilities are expected to be sufficient to meet the liquidity requirements of the Company.

(i) Financing arrangements

The Company has access to the following undrawn borrowing facilities as at the end of the reporting period:

	(₹ in Lakhs)	
	As at 31 st March 2025	As at 31 st March 2024
Secured working capital credit facility from Banks	1,500.00	1,500.00

(ii) The following is the contractual maturities of the financial liabilities:

	(₹ in Lakhs)					
	Carrying amount	Total	Payable on demand	Less than 1 month	1-12 months	More than 12 months
As at 31st March, 2024

Other financial liabilities	83.06	83.06	38.23	44.83	-	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Company's functional and presentation currency is INR. The Company does have transactions in currency other than functional currency i.e. in US Dollar (USD) for purchase of raw material from overseas supplier. However, those are not very significant considering the nature and size of the operations of the Company.

Foreign currency Exposure

Particulars	Currency	As at 31 st March, 2025	As at 31 st March, 2024
Trade payable	USD	1.46	1.02
Trade receivables	EURO	0.21	-

The Company's exposure to the foreign currency risk is not significant considering the nature and size of the operations.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's Long-term borrowings have fixed rate of interest and carried at amortized costs and short-term borrowings have variable rate of interest. The Company also has significant investments in Bonds i.e. Government securities; Debentures; Preference shares and Debt funds. These investments are subject to the Market risk - Interest rate risk.

Exposure to Interest rate risk - Financial liabilities

(₹ in Lakhs)

Particulars	As at 31 st March, 2025	As at 31 st March, 2024
Total borrowings	2.98	11.52
% of borrowings out of above bearing variable rate of interest and short-term in nature	100.00%	100.00%

Hence, the Company is not significantly exposed to the interest rate risk as working capital facility are, as per contractual terms, primarily of short term in nature.

Exposure to Interest rate risk - Financial assets - Investments in Government Bonds, Bonds, Debentures, Debt funds and Preference Shares

Market price risk for government bonds, debentures, Preference shares and other bonds is movement in the interest rate and impact thereof on the yield. The Company's major part of investments is in Bonds/Debentures, which exposes Company to a price risk and consequently impact on the profitability and value of instruments

Sensitivity

The table below summarises the impact of increase/decrease in the interest rate over the value of bonds/debentures. The analysis is based on the assumption that the Interest rate has increased by 100 bps or decrease by 100bps with all other variables held constant.

BSE Sensex - Increase 5% - Gain/(loss)	2,678.15	1,876.10
BSE Sensex - Decrease 5% - Gain/(loss)	(2,678.15)	(1,876.10)

(c) Credit risk

Credit risk arises from the possibility that the counterparty may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of counterparty, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an ongoing basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
 - (ii) Actual or expected significant changes in the operating results of the counterparty.
 - (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
 - (iv) Significant increase in credit risk on other financial instruments of same counterparty
- (i) **Expected credit loss for trade receivables under simplified approach (Refer Note 9 for ageing of Trade Receivable)**

Commodity Risk

The Company is exposed to the risk of price fluctuation of raw materials proactively managed through forward booking, inventory management and proactive vendor development practices.

46 Capital Risk Management

(a) The Company's objectives when managing capital are to:

- ♦ safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

The Company sets the amount of capital required on the basis of annual business and long-term operating plans which includes capital and other strategic investments. The Company's intention is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The Company monitors capital using a gearing ratio being a ratio of net debt as a percentage of total capital.

Independent Auditors' Report

To The Members of Hindustan Composites Limited

Opinion

Report on the Audit of Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Hindustan Composites Limited and its Joint Venture** (the Holding Company and its Joint Venture together referred to as "the Group"), which comprises of Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss, Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year then ended (Refer "Other Matters" section below), and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2025, its consolidated profits, consolidated other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	How our audit addressed the key audit matters
Classification, Valuation and Impairment of unquoted equity instruments /debt Investments: (Refer note 3 & 8 of the consolidated financial statements) The Group's -substantial assets are quoted and unquoted investments in equity/debt Instruments. Out of total investments held as on March 31, 2025, unquoted investments in equity/debt Instruments comprises of ₹ 43,748.25 Lakhs (representing 45.47%). These Investments are classified and measured at Fair value through profit or loss (FVTPL) /fair value through other comprehensive income (FVOCI). Due to their unique structure and terms which involve the use of judgemental assumptions in valuation/impairment and not on quoted prices in active markets. Therefore, there is significant measurement uncertainty involved in this valuation/impairment. As a result, the valuation/impairment of these instruments was significant to our audit.	We focused on valuation of these instruments/investments and have carried out the following key audit procedures: • - Understood the Group's process and procedures and tested controls to ensure proper classification and valuation/ impairment of investments. - Tested recording of investments on sample basis and verified classification of investments. - Assessed valuation of these investments to examine whether the same is in accordance with the Group's accounting policies. - Tested impairment/provision of investments (including reversal) - In respect of unquoted investments, we evaluated the Company's valuation methodology and assumptions and corroborated these with internal Investment policies including those related to impairment. - For any changes in ratings of the investee company, we examined the Group's assessment with the internal Investment policies for reclassification and valuation.

Key Audit Matters	How our audit addressed the key audit matters
	- Also obtained external evidence of existence of investment by getting holding statement from the custodian /statement from the fund houses as well through publicly available filings from time to time - We have also perused the relevant internal audit reports on investments. Based on the work carried out, we did not come across any significant matter which suggests that the investments were not properly classified or valued.

Information Other than the Consolidated Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The aforesaid other information is not made available to us as at the date of this auditor's report and therefore, we have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including consolidated other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter :

The financial statements of the joint venture included in the consolidated financial statements (whose losses have exceeded the Group's investments) and therefore, have not been considered in the consolidated financial statements in compliance with IND AS 28. (Refer note no 38 to the consolidated financial statements).

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books and records except for the matters stated in the paragraph 1(h)(vii) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 (as amended).
 - (c) The Consolidated Balance sheet, the Consolidated Statement of Profit & Loss (including consolidated other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025, taken on record by the Board of Directors of the Holding Company and its Joint Venture incorporated in India, none of the directors of the Group companies is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A".
- (g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197(16) of the Act.
- (h) With respect to the matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements, wherever it is quantifiable. [Refer Note No. 33 to the Consolidated financial statements]
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv.
 - a) The Managements of the Holding Company and its Joint Venture incorporated in India have represented that, to the best of their knowledge and belief, no funds other than disclosed in the consolidated financial statements (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and its Joint Venture incorporated in India to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and its Joint Venture incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. [Refer note no 53 (e) to standalone financial statements].
 - b) The Managements of the Holding Company and its Joint Venture incorporated in India have represented, that, to the best of their knowledge and belief, no funds other than disclosed in the consolidated financial statements (which are material either individually or in the aggregate) have been received by the Holding Company and its Joint Venture incorporated in India from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company and its Joint Venture incorporated in India shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Annexure A**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HINDUSTAN COMPOSITES LIMITED FOR THE YEAR ENDED MARCH 31, 2025****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Financial Statements of the Group for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of **Hindustan Composites Limited** ("the Holding Company") and its Joint Venture.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and a joint venture incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and a joint venture incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements and (4) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the Group from time to time.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us the Group has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CORPORATE OVERVIEW:

The consolidated financial statements comprise financial statements of Hindustan Composites Limited is a public limited company and its joint venture, namely Compo Advics (India) Pvt. Ltd., (collectively referred to as "the Group") for the year ended 31 March 2025. The Group's share in the Joint Venture is 49%.

Hindustan Composites Limited ("the Group") is a public limited company domiciled in India and is incorporated under the provision of the Companies Act, 2013 applicable in India. Its shares are listed on BSE Limited and National Stock Exchange of India Limited.

The registered office of the Company is located at Peninsula Business Park, A Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400 013 (Maharashtra).

The Group is engaged in the business of manufacturing and marketing of fibre based friction material, consisting of Brake Liners, Roll Lining, Brake Block, Clutch Facing etc and investments.

The Consolidated Financial Statements has been approved in the board meeting held on 7th May, 2025.

A. MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

a) Basis Of Preparation of Financial Statements:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 3 of the Companies (Indian Accounting standards) Rules, 2015 and amendment rules issued there after.

The consolidated financial statements of the Group are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value
- ii) Defined benefit employee plan

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Uses of estimates and judgments:

The preparation of the financial statements requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement,

classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property plant and equipment and intangible assets

Property, plant and equipment and intangible assets are depreciated / amortised over their estimated useful lives, after taking into account its estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates. Depreciation on the fixed assets added / disposed off/ discarded during the year is provided on pro-rata basis with reference to the month of addition / disposal / discarding.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**(c) Contingencies**

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized in the financial statements.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

c) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Group as at 31 March 2025.

Investment in joint venture:

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting.

Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised

directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an associate or a joint venture.

Distributions received from an associate or a joint venture reduce the carrying amount of the investment. Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transactions provides evidence of an impairment of the assets transferred.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

d) Property, plant and equipment and Intangible assets**Property, plant and equipment**

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Group assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets:

Technical Know How and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease. Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believe that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Group amortizes computer software with a useful life using the straight-line method over the period of 6 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Assets held for sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met:

- (i) decision has been made to sell.
- (ii) the assets are available for immediate sale in its present condition.
- (iii) the assets are being actively marketed and
- (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

e) As a lessee

Operating Lease

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made on or before the commencement date plus any initial direct costs incurred. The right-of-use assets

is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For short-term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the lease term.

f) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventories of Raw Materials, Work-in-Progress, Stores and spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'.

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The Goods and Service Tax (GST) in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group.

h) Financial Instruments

Financial assets - Initial recognition

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**(i) Measured at amortised cost:**

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Group's right to receive payments is established.

Impairment

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has

neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

On de-recognition of equity instruments measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from other equity to retain earnings as a reclassification adjustment.

Financial Liabilities

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss. "

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

i) Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

j) Borrowings:

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the

Consolidated Statement of Profit and Loss over the period of the borrowings using the effective interest method.

k) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

l) Provisions and contingent liabilities:

Provisions for legal claims, volume discounts and returns are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

m) Revenue recognition:

i) Sale of goods:

Revenue from the sale of goods is recognised when the control of the goods passes to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

ii) Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

iii) Investment Income:

Dividend income on investments is recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

iv) Other operating Income:

Export incentives are accounted in the year of export.

v) Variable Consideration:

If the consideration in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled to in exchange for transferring goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved. Some contracts with the customers provide them with a right to return and volume rebates. The right to return and volume rebates gives rise to variable consideration.

The amount of variable consideration is calculated by either using the expected value or the most likely amount depending on which is expected to better predict the amount of variable consideration. Consideration is also adjusted for the time value of money if the period between the transfer of goods or services and the receipt of payment exceeds twelve months and there is a significant financing benefit either to the customer or the Company. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices. If stand-alone selling prices are not observable, the Company reasonably estimates those revenue is recognized for each performance obligation either at a point in time or over time.

n) Employee Benefits:

The Group provides following post-employment plans:

- (i) Defined benefit plans such as gratuity and pension &
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of the plan assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the consolidated statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Group's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

o) Foreign Currency Transactions:

The consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

p) **Income tax**

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income-tax during the specified period.

q) **Segment Reporting:**

The Group has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Group. The Managing Director evaluates the Group's performance and allocates resources as a whole.

r) **Research and Development:**

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Group has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

s) **Earnings Per Share:**

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

t) **Contract balances:**

i) **Trade Receivables:**

A receivable represents the Groups's right to an amount of consideration that is unconditional (i.e. only a passage of time is required to before payment of the consideration is due).

ii) **Contract liabilities:**

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfer goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier. Contract liabilities are recognised as revenue when the company performs under the contract.

B. Nature and purpose of reserves

- (a) **Capital Redemption Reserve:** The Company has recognised Capital Redemption Reserve on buyback of equity shares from its General Reserve. The Capital Redemption Reserve can be utilised for issue of bonus shares.
- (b) **General Reserve:** The Company has transferred a portion of the net profit before declaring dividend to general reserve.
- (c) **Retained Earnings:** Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders and realised gain on equity instrument transferred from Other Comprehensive Income.
- (d) **Debt Instruments through Other Comprehensive Income:** The fair value change of the debt instruments measured at fair value through other comprehensive income is recognised in Debt instruments through Other Comprehensive Income. Upon derecognition, the cumulative fair value changes on the said instruments are reclassified to the Statement of Profit and Loss.
- (e) **Equity Instruments through Other Comprehensive Income:** This represents the cumulative gains and losses arising on fair valuation of equity instruments measured at fair value through other comprehensive income and subsequently not reclassified to the Statement of Profit and Loss, net of amount reclassified to retained earnings when such assets are disposed off.
- (f) **Re-measurements of Net Defined Benefit Plans:** Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised subsequently not reclassified to the Statement of Profit and Loss.
