NOTES:

1. The Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") in respect of special business is annexed hereto and forms part of this notice. The Board of Directors of the Company have considered and decided to include the Item Nos. 4 to 6 given above as Special Business in the forthcoming Annual General Meeting ("AGM"), as they are unavoidable in nature.
2. In view of continuing lockdown situation due to Covid-19 global pandemic, the Ministry of Corporate Affairs ("MCA") has vide its General Circular No. 02/2021 dated 13th January, 2021 read with General Circular No. 14/2020 dated 8th April, 2020, Circular No.17/2020 dated 13th April, 2020, Circular No. 20/2020 dated 5th May, 2020 (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India vide its Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021 read with Circular No. SEBI/HO/ CFD/ CMD1/ CIR/P/ 2020/79 dated 12th May, 2020 (collectively referred to as "SEBI Circulars") have permitted holding of Annual General Meetings through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM"), without physical presence of the Members at a common venue. In compliance with applicable provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA & SEBI Circulars, the 57th AGM of the Company will be conducted through VC / OAVM without physical presence of the members at a common venue. The Company has engaged services of Central Depository Services (India) Limited ("CDSL") for facilitating conducting of AGM and voting through electronic means i.e., remote e-voting and voting during the AGM.
3. In accordance with the Secretarial Standard -2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Guidance/Clarification dated 15th April, 2020 issued by ICSI, the proceedings of the 57th AGM shall be deemed to be conducted at the registered office of the Company situated at Peninsula Business Park, 'A' Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400013. Keeping in view the guidelines to fight Covid-19 pandemic, the Members are requested to attend the 57th AGM from their respective locations through VC / OAVM and do not visit the registered office to attend the AGM.
4. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. However, since this 57th

AGM is being conducted pursuant to the MCA and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for this 57th AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.

5. Pursuant to MCA Circular No. 02/2021 dated 13th January, 2021 read with Circular No. 14/2020 dated 8th April, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this 57th AGM. However, in pursuance of Section 112 and 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the 57th AGM through VC/OAVM and cast their votes through e-voting.
6. Institutional/ Corporate members intending to represent through their authorised representatives in the AGM through VC/OAVM and to vote through remote e-voting or vote at the AGM are requested to send to the Company a certified copy of the board resolution authorising their representative to the Company at its registered office by post/hand delivery or through email at designated e-mail address of the Company i.e. investor@hindcompo.com or at the Scrutinizer's email address i.e. manish@csmanishb.in.
7. In case of joint holders attending the Meeting, only such joint holder who is higher in order of names will be entitled to vote.
8. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act and all documents referred to in the notice of 57th AGM, will be available for inspection by the Members on request by sending an e-mail to investor@hindcompo.com.
9. Pursuant to the provisions of Section 91 of the Companies Act, 2013 and Regulation 42 of SEBI Listing Regulations, the Register of Members and the Share Transfer Books of the Company will remain closed from Thursday, 23rd September, 2021 to Wednesday, 29th September, 2021 (both days inclusive) for determining the name of members eligible for dividend on Equity Shares, if approved by the members at the ensuing 57th AGM.
10. The dividend on Equity shares as recommended by the Board of Directors for the financial year ended 31st March, 2021, if approved by the members at the ensuing 57th AGM, will be paid to those members whose names stand registered in the Register of Members as on Wednesday,

22nd September, 2021 and in respect of the shares held in dematerialized form, the dividend will be paid to members whose names are furnished by National Securities Depository Limited / Central Depository Services (India) Limited as beneficial owners as on that date. In case the Company is unable to pay the dividend to any member by the electronic mode due to non-availability of the details of the bank account the Company shall dispatch the dividend warrant/demand draft by post. However, in case of any disruption the postal services due to pandemic or any other reasons the same will be sent upon restoration of normalcy of postal services.

11. Members may note that the Income Tax Act, 1961 ("IT Act"), as amended by the Finance Act, 2020, mandates that dividend paid or distributed by a company after 1st April, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit Form 15G/Form 15H or any other documents as applicable, if any, in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows-

Members having valid PAN	10% or as notified by the Government of India
Members not having PAN / Invalid PAN	20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by him during Financial Year 2021-22 does not exceed ₹ 5,000 and also in cases where members have provided Form 15G / Form 15H (applicable to individuals aged 60 years or more), subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. Registered members may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as applicable, if any, in accordance with the provisions of the IT Act.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident

shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member or details as prescribed under rule 37BC of Income-tax Rules, 1962
- Copy of Tax Residency Certificate (TRC) for the FY 2021-22 obtained from the revenue authorities of the country of tax residence, duly attested by member
- Self-declaration in Form 10F
- Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by member

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents are required to be submitted by sending email at investor@hindcompo.com during the period commencing before 23.59 hrs IST on 22nd September, 2021.

12. As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, 1st April, 2019, except in case of request received for transmission or transposition and re-lodged transfers of securities. Further, SEBI vide its circular no. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/236 dated 2nd December, 2020 had fixed 31st March, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. Hence members, who hold shares in physical form, are requested to dematerialize their shares, so they can transfer their shares in future, if so desire. However, members can continue to hold shares in physical form.

13. SEBI Listing Regulations in terms of Schedule I mandates to all listed companies to use the Reserve Bank of India's approved electronic mode of payment such as National Automated Clearing House ("NACH"), National Electronic Fund Transfer (NEFT), Real Time Gross Settlement (RTGS) for making payments like dividend to the shareholders. Accordingly, members who have not updated their bank account details and wish to avail such facility in future are requested to update their bank account details by furnishing requisite documents with the Registrar and Share Transfer Agent ("RTA") of the Company.

14. The cut-off date for the purpose of determining eligibility of members for voting in connection with the 57th AGM and payment of final dividend for the financial year 2020-21 has been fixed as Wednesday, 22nd September, 2021 ("Cut-off date").

15. Members holding shares in physical form are requested to notify immediately any change in their address or bank details to the Company / RTA quoting their Folio Number. Members holding shares in the demat form are requested to update such details with their respective Depository Participants.

16. The Company has transferred the unpaid or unclaimed dividend declared upto financial years 2012-13, from time to time, to the Investor Education and Protection Fund ("IEPF") established by the Central Government. The unclaimed dividend in respect of the financial year ended 31st March, 2014 is due for transfer to the IEPF in month of October, 2021. The shareholders whose dividend remained unclaimed for the financial year 2013-14 and for subsequent financial years are requested to claim it immediately from the Company. The Company has uploaded the details of unpaid and unclaimed dividend amounts lying with the Company as on 31st March, 2021 under "Investor Relations" section on the website of the Company www.hindcompo.com. The details of unpaid and unclaimed dividend amounts lying with the company can be also accessed through on the website of Ministry of Corporate Affairs viz. www.mca.gov.in and on the website of IEPF viz. www.iepf.gov.in. Attention of the members is drawn to the provisions of Section 124(6) of the Act, which requires a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more.

In accordance with the aforesaid provisions of Section 124(6) of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has transferred 22,005 shares in respect of which dividend

declared for the financial year 2012-13 or earlier financial years remained unpaid or unclaimed by the members for 7 (seven) consecutive years or more to the Investor Education and Protection fund via corporate action through Central Depository Services (India) Limited.

A member desirous to claim back his shares from IEPF Authority can do so by following prescribed procedure under the said rules. The said details are available on the website of the Company at www.hindcompo.com and have also been uploaded on the website of the Ministry of Corporate Affairs and the same can be accessed through the link: www.mca.gov.in and on the website of IEPF viz. www.iepf.gov.in.

Further, the Company has initiated necessary action for transfer of all shares in respect of which dividend declared for the financial year 2013-14 has remained unpaid or unclaimed by the members for 7 (seven) consecutive years or more.

17. Members can join the 57th AGM through the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the 57th AGM through VC/OAVM will be made available to atleast 1000 members on first come first serve basis; however this limit does not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first serve basis.
 18. The attendance of the Members attending the 57th AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
 19. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN details to their respective Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / RTA.
 20. To comply with the provision of Section 88 of the Act, read with Rule 3 of the Companies (Management and Administration) Rule 2014, the Company is required to update its database by incorporating some additional details of its members.
- Members are requested to submit their e-mail ID and other details vide the e-mail updation form available on Company's website viz. www.hindcompo.com. The same could be done by filling up and signing at the appropriate place in the said form and by sending the same to the RTA.
- The e-mail ID provided shall be updated subject to successful verification of your signatures as per record available with the RTA of the Company.
21. In compliance with the aforesaid MCA and SEBI Circulars, Notice of the 57th AGM along with the Annual Report 2021 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2021 will also be available on the Company's website www.hindcompo.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of CDSL at www.evotingindia.com.
 22. Non-Resident Indian members are requested to inform to the Company's Registrar & Share Transfer Agents, immediately of any change in their residential status on return to India for permanent settlement, their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code, if the details are not furnished earlier.
 23. Members holding shares in identical order of names in more than one folio are requested to write to the Company / Registrar and Share Transfer Agents (RTA) enclosing their Share Certificates to enable the Company to consolidate their holdings in one folio for better services.
 24. Members are requested to forward all Share Transfers and other communications to the RTA of the Company and are further requested to always quote their Folio Number / DPID-Client ID in all correspondences with the Company.
 25. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company.
 26. Brief resume of director proposed to be re-appointed at the ensuing AGM in terms of Regulations 26(4) & 36(3) of the SEBI Listing Regulations and SS-2 Secretarial Standard on "General Meetings" is annexed to the Notice.
 27. The shares of the Company are listed on BSE Limited and National Stock Exchange of India Limited. Listing fees for the financial year 2021-22 has been paid to both the stock exchanges.
 28. Members may also note that 57th Annual Report for the year 2020-21 is also available on the website of the company at www.hindcompo.com.

29. To support the Green Initiative, members who have not registered their email addresses are requested to register the same with the Company's RTA/their Depository Participants, in respect of shares held in physical/electronic mode, respectively.

30. In compliance with provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Regulation 44 of the SEBI Listing Regulations and Secretarial Standards on General Meetings (SS-2) issued by the ICSI, the Company is pleased to provide e-voting facility to its members to exercise their right to vote electronically on the resolutions mentioned in the notice of 57th AGM dated 26th May, 2021. The members may cast their votes using electronic voting system from a place other than the venue of the meeting ("remote e-voting").

(a) The facility of casting the votes by the members/shareholders using an electronic voting system from a place other than venue of the AGM ("remote e-voting") and e-voting during the meeting will be provided by Central Depository Services (India) Limited (CDSL e-voting System).

(b) A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of "remote e-voting" or e-voting during the AGM.

(c) The "remote e-voting" period commences on Sunday, 26th September, 2021 (9:00 hrs) and ends on Tuesday, 28th September, 2021 (17:00 hrs). During this period, members/shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote by "remote e-voting". The "remote e-voting" module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently.

(d) The voting rights of members/shareholders shall be in proportion to their share of the paid up equity share capital of the Company as on the cut-off date.

Any person who becomes a member of the Company after dispatch of the Notice of the meeting and holding shares as on the cut-off date may obtain the User ID and password by sending a request at helpdesk.evoting@cdslindia.com or rnt.helpdesk@linkintime.co.in. However, if the member is already registered with CDSL for remote e-voting then he can use his existing user ID and password for casting the vote through e-voting. If you forgot your password, you can reset your password by using "Forgot User

Details/Password" option available on www.evotingindia.com.

(e) The Board of Directors of the Company has appointed CS Manish Baldeva, Proprietor of M/s. M Baldeva Associates, Company Secretaries, Thane (FCS No.: 6180/CP No.: 11062) as Scrutinizer to scrutinize the voting through remote e-voting process and e-voting during the 57th AGM in a fair and transparent manner. The Scrutinizer shall within 2 working days from the conclusion of the AGM unblock the votes in the presence of at least two witnesses not in employment of the Company and make a scrutineers' report of the votes cast in favour or against, if any, forthwith to the Chairman or a person authorized by him who shall countersign the same and declare the result of the voting.

(f) The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.hindcompo.com and on the website of CDSL www.evotingindia.com immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall simultaneously be communicated to the stock exchanges.

(g) Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the Meeting i.e. Wednesday, 29th September, 2021.

THE PROCEDURE/ INSTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING 57TH AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

(i) The voting period begins on Sunday, 26th September, 2021 (9:00 hrs.) and ends on Tuesday, 28th September, 2021 (17:00 hrs.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242** dated 9th December, 2020, under Regulation 44 of the SEBI Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers ("ESPs") providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and

maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of **SEBI circular no. SEBI/ HO/ CFD/ CMD/ CIR/ P/2020/242 dated 9th December, 2020** on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

Pursuant to the said SEBI Circular, Login method for e-voting and joining virtual meetings **for Individual shareholders holding securities in demat mode** is given below:

Total Comprehensive Income	5,037.84	1,235.91	5,891.04	1,079.82

2. OPERATIONAL PERFORMANCE

The company has achieved total revenue of ₹ 18,458.75 Lakhs during the financial year 2020-21 compared to ₹17,805.19 Lakhs in the previous year. The net manufacturing revenue was higher by 4 % from ₹ 14,489.55 Lakhs to ₹ 15,006.48 Lakhs, despite losing production and sales in first quarter of the financial year on account of Covid-19 lockdown.

Investment income during the financial year was also higher at ₹ 3452.27 Lakhs compared to ₹ 3315.64 Lakhs in the previous financial year. It was achieved with judicious deployment of funds in various assets, despite volatile market conditions and falling interest rates.

The gross profit of the company was substantially higher at ₹ 3385.63 lakhs as against ₹ 2004.09 Lakhs in the previous financial year, mainly on account of higher income and several cost rationalisation initiatives taken during the financial year. After considering interest of ₹ 19.59 lakhs and depreciation of ₹ 886.69 Lakhs, Profit before tax was ₹ 2479.35 Lakhs. With a tax provision of ₹ 380.19 Lakhs, profit after tax was ₹ 2099.16 Lakhs as against ₹1203.50 Lakhs in the previous financial year. The other comprehensive income, net of tax during the financial year was ₹ 2938.68 Lakhs and the total comprehensive income was ₹ 5037.84 Lakhs, a huge increase against previous figure of ₹ 1235.91 Lakhs.

3. COVID -19

In view of lockdown across the country due to the Covid-19 pandemic, manufacturing operations of the company were suspended temporarily for few weeks during first quarter of the financial year in compliance with directives issued by the relevant authorities. The financial results for 2020-21 were impacted by disruptions owing to this pandemic situation. The company has made an assessment of the recoverability and carrying values of its assets comprising property, plant and equipment, inventories, receivables and other assets as on 31st March, 21 and on the basis of evaluation, no material adjustments were required to be made in the financial results. The company has taken all necessary steps and precautionary measures to ensure smooth functioning of its operations and ensure the safety and well-being of all its employees. Considering the risks associated with nature, condition and duration of Covid-19, the impact assessment on the company's financial statements will be continuously monitored.

Against the backdrop of a challenging macro environment, in the beginning of the financial year, all automotive plants were shut down, transport industry came to a grinding halt, markets were closed and our several bulk orders were cancelled. Similarly, the automobile industry's nascent recovery at the beginning of FY 2020-21 was derailed due to tepid consumer sentiment and disrupted supply chain.

However towards the second half of the financial year under review, the scenario improved significantly. Manufacturing plants started opening up in a phased manner and consumer sentiment improved which helped to create new opportunities in the value chain.

Besides a resurgent automotive demand, our own cost rationalisation drive, growing share of value added products, improved quality through R & D efforts and better work efficiency across all functions facilitated our comeback journey and improved both revenue and profitability.

Though auto segment revived in the later part of the financial year but pain remained in Railway and State Transport segment as their movement remained very restrictive which resulted into poor demand of our product.

The investment segment also faced the similar challenges in the beginning of the financial year due to liquidity crisis, fear of higher NPAs, falling interest rate and volatile stock market conditions. However Government announced several stimulus packages to ease liquidity and boost the economy which improved the consumer sentiments and restored the faith. It also provided some opportunities which helped us in increasing the investment income. However company will continue to maintain its conservative approach towards investment.

The working of Company's joint venture- Compo Advics Private Limited, remained under pressure due to depressed market conditions as mentioned above. However several initiatives have been taken towards enlarging dealers network, introduction of new references and cost reduction measures.

There is no change in the nature of business of the Company during the financial year under review.

4. MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION BETWEEN THE END OF THE FINANCIAL YEAR AND DATE OF THE REPORT

There have been no material changes and commitments affecting the financial position of the Company between the end of the Company's financial year to which the financial statements relate and upto the date of this report, except impact of Covid-19 generated situation, quantification of which cannot be done at this point of time.

5. SHARE CAPITAL OF THE COMPANY

During the financial year under review, there was no change in paid up share capital of the Company. The paid up equity share capital of your Company as on 31st March, 2021 was ₹7,38,45,000/- (Rupees Seven Crore Thirty Eight Lakhs

Forty Five Thousand only) divided into 1,47,69,000 equity shares of the face value of ₹ 5/- (Rupees Five only) each fully paid up.

6. DIVIDEND & DIVIDEND POLICY

Your Directors have recommended a dividend of ₹ 2 per share (previous financial year ₹ 2 per share), of ₹ 5 each, being 40% (previous financial year 40%) on equity share capital for the financial year ended 31st March, 2021. This will absorb total cash outflow of ₹ 295.38 Lakhs. The dividend, if approved, will be paid to those members whose names shall appear on the Register of Members / List of Beneficiaries as on Wednesday, 22nd September, 2021

Pursuant to the revised provisions of Regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company has adopted the Dividend Distribution Policy w.e.f. 26th May, 2021. The policy can be accessed on the Company's website at <https://www.hindcompo.com/investor-relations/documents/dividend-distribution-policy.pdf>

7. RESERVES

During the financial year under review ₹ 1,000 Lakhs (previous financial year 1,000 Lakhs) were transferred to the General Reserve.

8. SUBIDIARY, JOINT VENTURES AND ASSOCIATE COMPANIES

Your Company has a Joint Venture Company namely "Compo Advics (India) Private Limited". The Company had no subsidiary or associate company during the financial year under review.

Pursuant to the provisions of Section 129(3) of the Companies Act, 2013 ('the Act'), a statement containing salient features of the financial statements of the Joint Venture Company in Form AOC-1 is attached to the financial statements of the Company forming part of this Annual Report.

9. CONSOLIDATED AUDITED FINANCIAL STATEMENTS

10. RISK MANAGEMENT AND AREAS OF CONCERN

The Company has laid down a well-defined Risk Management Policy covering the risk mapping, trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out from time to time to identify, evaluate, manage and monitoring of both business and non-business risk. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through a properly defined framework.

Currently, the most significant emerging risk is the ongoing outbreak of the novel coronavirus (Covid-19). These are challenging times for the world at large. The outbreak of Covid-19 and its rapid acceleration across the globe are concerning. While the human impact of the virus takes precedence for all of us, we continue to monitor the developments closely and are wary of the adverse impact on our business.

Pursuant to the revised provisions of Regulation 21 of the SEBI Listing Regulations, the Company has constituted a Risk Management Committee comprising of Mr. Raghu Mody, Executive Chairman, Mr. P. K. Choudhry, Managing Director, Mr. Lalit Kumar Bararia and Mrs. Preeti Agrawal, Independent Directors as its members w.e.f. 26th May, 2021. Mr. Raghu Mody is Chairman of Risk Management Committee and the Company Secretary and Compliance officer of the Company acts as the Secretary of the Committee.

The purpose of the Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with regard to enterprise risk management. The Committee shall review the risk management practices and actions deployed by the Management with respect to identification, impact assessment, monitoring, mitigation and reporting of key risks while at the same time trying to achieve its business objectives. Further, the Committee shall endeavour to assist the Board in framing, implementing and monitoring the risk management plan for the Company and reviewing and guiding the risk policy.

This Committee shall have the primary responsibility of implementing the Risk Management Policy of the Company and achieving the stated objective of developing a risk mitigated culture that supports decision making and helps improve the Company's performance. The role and terms of reference of the Risk Management Committee are in conformity with the requirements of the Act and Regulation 21 of SEBI Listing Regulations.

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and
 Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
Hindustan Composites Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Hindustan Composites Limited** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluation of the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2021** ('Audit Period') generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (not applicable to the Company during the Audit Period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

 - (vi) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (vii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (not applicable to the Company during the Audit Period);
 - (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (not applicable to the Company during the Audit Period); and
 - (ix) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (vi) As informed and certified by the management, there are no laws that are specifically applicable to the business activities carried on by the Company based on its section / industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards (SS – 1 and SS – 2) issued by The Institute of Company Secretaries of India.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above, however, the Company filed some e-forms with Registrar of Companies (ROC), Mumbai, Maharashtra under Companies Fresh Start Scheme, 2020 introduced vide General Circular No. 12/2020 dated 30th March, 2020.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there was no specific event or action having a major bearing on the company's affairs.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development

The global economy was badly hit by the health crisis and resultant complexities caused by Covid-19 in 2020. For several months, uncertainties and panic paralysed economic activities in both developed and developing countries. Manufacturing, trade and tourism came to standstill, while job and output losses caused enormous hardship. Governments around the world responded rapidly to curb the contagion and its economic impact through fiscal and monetary stimulus packages.

According to the International Monetary Fund (IMF), US GDP de-grew by 3.5% in C.Y. 20 as against a growth of 2.3% in C.Y.19. Overall, Advanced Economies posted negative growth of 4.7%, with sharpest contractions reported in Spain, UK and France at 11%, 9.9% and 8.2% respectively. Even the traditionally fast growing emerging market and developing economies could not insulate themselves against the Covid-19 impact, recording a 2.2% decline in GDP. China was the only bright spot with a growth of 2.3%.

India is one of the countries most affected by this pandemic. The fiscal year began with a nation-wide 42 days lockdown leading to multiple socio-economic challenges, such as mass exodus of the migrant labour population, subdued demand as consumers became cautious, job losses and reduced income. This led to a GDP contraction of 23% in the first quarter of the year. As the lockdown gradually eased, with aggressive government policies to spur the economy, industries saw some demand returning. The Indian economy demonstrated resilience and recovery in Quarter 2 was ahead of the estimates with a 7% GDP decline instead of the estimated 11% decline. The Q3 & Q4 saw the GDP return to positive territory, posting gains of 0.5% and 1.6% bringing the full year to a 7.5% decline.

Global automobile industries were severely impacted by the pandemic in 2020. With restricted mobility throughout the year and only partial recovery in the later part of the year, auto industry faced depressed demand across all regions. Automotive demand in North America declined by an estimated 18% while the European market demand decreased by an estimated 21%. Chinese economy's quicker recovery resulted in minimal impact on the auto sales with lower de-growth of 3%. Facing lack of demand from OEMs and a muted replacement segment, auto component industry too suffered a decline globally.

Indian automobile industry which was already witnessing a slowdown as the growth rate fell to 5.2% in F.Y. 2018-19. It reported further negative growth with a fall of 14.2% in F.Y. 2019-20 owing to overall economic slowdown, liquidity crisis and poor consumer sentiments in the face of pandemic. The auto industry experienced a considerably poor Q 1 in F.Y. 2020-21 but found the tide turning with steady increase in demand during the remaining quarters. According to the Society of Indian Automobile Manufactures

(SIAM), the industry saw a huge decline of 79% in Q 1 numbers. As the lockdown gradually lifted, demand made a comeback even as the production for Q 2 continued to be negative with a de-growth of 7%. Q 3 marked the beginning of the recovery phase, which can be largely attributed to the pent-up demand, positive agricultural economics and moderate shift from public to private transport.

The domestic sale of Automobiles during 2020-21 vis-a-vis 2019-20 experienced a big drop across segments as under:

(₹ in Lakhs)

Segment	2020-21	2019-20	Variance
	Nos.	Nos.	
Passenger Vehicle	27,11,457	27,75,679	-2.31%
M & H Commercial vehicle	1,60,688	2,24,806	-28.52%
Light Commercial vehicle	4,07,871	4,92,882	-17.25%
3 wheelers	2,16,197	6,36,569	-66.04%
2 Wheelers	1,51,19,387	1,74,17,616	-13.20%

(Source – SIAM data)

Though Passenger Vehicle (PV) and Two Wheeler (2W) segments gained momentum in later part of the year, the Commercial vehicle (CV) and Three Wheeler (3W) segments remained in a big negative zone. Overall the automobile industry declined by 13.6% in F.Y. 2020-21 over F.Y. 2019-20.

2. Opportunities and threats

The RBI's Monetary Policy Committee has projected the GDP growth at 10.5% in F.Y. 2021-22, given the low level of activity last year.

The Government has been working on a series of calibrated reforms including liberal FDI policy, Production Linked Incentive (PLI) scheme, investment facilitation and ease of doing business, reaffirming a recovery path.

The second wave of Covid-19 infections presents a risk to India's growth forecast as the re-imposition of measures to curb the spread of the virus will hit economic activity. However, adequate importance and fillip is being given to economic activity by the policy makers and regulators. The measured approach followed so far and the recent announcements of vaccination drive across the country will be of a great benefit to the industry. Companies are optimistic about the future but are concerned about the evolving Covid-19 scenario across the country.

At HCL we have felt the impact of this situation with the closure of our plants for several weeks in the beginning of the year. We have chosen to focus on areas of opportunity within the larger framework of the current challenges. With commitment to our growth plans, we have moved swiftly to tackle the roadblocks, to safe guard our business and to do our bit towards relief and support measures. As a result,

despite adverse market conditions, the company was able to improve its position both in its OEM and aftermarket businesses and reported a Sales growth of 4% over the last year.

In the short to medium term, on account of a low base, the auto segment is expected to come back to a strong double-digit growth. Increase in industrial activity, the need for personal mobility and an improved availability of funds will drive the growth of the domestic auto industry. Accordingly, our company is gearing up to meet the increased demand by way of new product development and improvement in plant efficiencies. The Company has also taken a lead in digitalization of its business processes that would enable it to retain its competitive advantage.

On the raw material front, during later part of the year, there was a sharp rise in the cost of metals, petroleum based products, rubber and many other items. The Indian Rupee also weakened by 5% during the fiscal year. This resulted into a huge increase in the cost of major raw materials. In view of intense competition, it is difficult to seek major price increases to compensate the effects of inflation thus bringing margins under severe pressure.

In the investment segment, the company's fund is invested in various asset classes including debt and equity. The volatility in the market may adversely affect returns due to Mark to Market losses. To overcome this risk, the Investment committee reviews the investments on a regular basis and takes appropriate decisions. The portfolio is managed with the advice of professional financial managers.

The recent second wave of Covid-19 is expected to have an adverse impact especially in the domestic automotive industry. We could clearly see the demand contraction of our products due to state-wise lockdowns in April and early May 2021. However, the vaccination drive of the Government of India has increased optimism in the recovery process.

3. Segment – wise or product-wise performance

The Company operates in two segments viz. composite products and investment. During the year under review, the revenue from composite products stood at ₹15,006.48 Lakhs (previous F.Y. ₹ 14,489.55 Lakhs) and from the investment segment this stood at ₹ 3,452.27 Lakhs (previous F.Y. ₹ 3,315.64 Lakhs). The segment result before unallocable expenses, interest and tax from Composite products was ₹ 618.53 Lakhs (previous F.Y. ₹ 133.49 Lakhs) and Investment was ₹ 2,532.94 Lakhs (previous F.Y. ₹ 2,293.74 Lakhs).

4. Outlook

The Indian auto component industry is expected to become the third largest in the world by 2025 and component exports are expected to grow by five times in 10 years. Keeping pace with the automotive industry, India's auto component industry has been flourishing and some favorable trends are as under:

- Growing working population and expanding middle class are expected to remain key driver.
- Reduction in excise duties in motor vehicles will spur the demand.
- 100% FDI allowed under automatic route for auto component sector.
- PLI scheme in Automotive and Auto component with a financial outlay over five years of ₹ 57,042 Crores.
- Announcement of incentive based vehicle scrappage policy.
- Shift from BS-IV to BS- VI norms have placed the industry on par with international regulations on safety and emissions in the long term.
- A cost effective manufacturing base keeps cost lower relative to developed countries.

The above factors will spur the demand for the Company's product used in segments like Heavy Vehicles, tractor, railroad and industry. Our company has commenced its actions to be a part of this change with appropriate products and solutions for customers. The Company will continue to put a thrust on new product development to meet the changed requirement of customers, provide better customer service and continue to work towards up-gradation of technology, improvement in quality, cost rationalization, cash preservation and digitalization. Besides the company will aggressively pursue opportunities for new OEM approvals, improved market share in OE and Aftermarket, export opportunities and additional business from the rail and industrial segment.

5. Risks and concerns

The Company has laid down a well-defined Risk Management Policy covering risk mapping, trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is carried out from time to time to identify, evaluate both business and non-business risk. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through a properly defined framework.

An increase in cases of Coronavirus infection and the consequent restrictive measures may derail growth prospects of the industry.

6. Internal control systems and their adequacy

The Company has in place proper and adequate internal control systems commensurate with the nature of its business, size and complexity of its business operations. Internal control systems comprising of policies and procedures are designed to ensure reliability of financial reporting, compliance with policies, procedures, applicable laws and regulations and that all assets and resources are

acquired economically, used efficiently and are adequately protected.

7. Discussion on financial performance with respect to operational performance

The Company's financial performance with respect to operational performance is already discussed in the Director's Report which forms a part of the Annual Report.

8. Material developments in Human Resources / Industrial Relations front, including number of people employed

The thrust of the Company's human resource development is to create a responsive and market-driven organization with emphasis on performance. Continuous appraisal of personnel competence in line with job requirements, are carried out to provide for necessary training to personnel thereby facilitating higher levels of output and productivity. The industrial relations at Paithan and Bhandara plants remain satisfactory. The Company entered into a Long-term settlement with its workmen at its Bhandara Plant for a period of 3 years effective from August, 2020. As on 31st March, 2021, 529 employees were employed in the Company.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw your attention to note no 45(d) of the standalone financial statements with regard to Management's assessment of realisability of assets including financial Investments due to recent surge in Covid -19 pandemic outbreak. The management apart from considering the internal and external information up to the date of approval of these standalone financial statements expects to recover the carrying amount of these assets, including financial investments. Considering the continuing uncertainties, the management will continue to closely monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short term as well as on a long-term basis.

Our opinion on the standalone financial statements is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

Key Audit Matters	Auditor's response
Valuation and Impairment of unquoted equity instruments /Debt Investments: We focused on the valuation of unquoted Equity/Debt Instruments due to the materiality of the investments and the nature of their valuation which involve the use of judgmental assumptions. As disclosed in Note no 40 and 41, as at 31 March 2021 the Company has unquoted equity /debt Investments of Rs. 26,208.17 Lakhs. These Investments are classified and measured at fair value through other comprehensive income.	Principal Audit Procedures We assessed and tested the design and the operating effectiveness of the key controls that management has established to support the review and approval of the model design, key model inputs and valuation. We assessed the appropriateness of the valuation method used by management by verifying the key inputs used in determining the assumptions as also corroborating the information.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statement and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
 - (c) The Balance sheet, the Statement of Profit & Loss, Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.
 - (e) On the basis of the written representation received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a Director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - (h) With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. [Refer Note No. 33]
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure “A” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the Members of Hindustan Composites Limited of even date

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

- i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- b) During the year, the Company has carried out physical verification of its Property, Plant and Equipment. The verification was in accordance with a phased programme which, in our opinion, is considered reasonable having regard to the size of the Company and nature of its assets. As explained, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii) According to the information and explanations given to us, the inventories have been physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on such verification.
- iii) According to the information and explanations given to us, the Company has granted secured loans to a company covered in the register maintained under Section 189 of the Act. The terms and conditions of such loan are not prejudicial to the Company's interest and schedule of repayment of principal and payment of interest has been stipulated and repayments are regular.
- iv) In our opinion and according to the information and explanations given to us, the Company has not entered into any transactions referred in Section 185 of the Act. The Company has complied with the provisions of 186 of the Act with respect to the loans and investments made.
- v) No deposits within the meaning of directives issued by RBI (Reserve Bank of India) and Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder have been accepted by the Company.
- vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government of India, regarding the maintenance of cost records under sub-section (1) of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, Cess, Goods and Service Tax and other material statutory dues applicable to the Company with the appropriate authorities. No undisputed amounts in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no dues of Income Tax, Goods and Service Tax and Duty of Customs, which have not been deposited on account of any dispute.
- viii) In our opinion and according to the information and explanations given to us, during the year, the Company has not defaulted in the repayment of dues to the banks and government. The Company has not taken any loan from financial institution or debenture holders during the year or in the recent past.
- ix) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or term loan during the year or in the recent past.
- x) According to the information and explanations given to us, we have not come across any instance of material fraud by officers or employees of the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- xi) According to the information and explanations given to us and based on the examination of the records, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii) The provisions of Nidhi Company are not applicable to the Company. Therefore, Para 3 (xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us, the provision of Section 177 and 188 of Act, to the extent applicable, in respect of transactions with the related parties have been complied by the Company and the details have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards in note no. 47 of the Standalone Financial Statements.
- xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures. Therefore, Para 3 (xiv) of the Order is not applicable to the Company.

xv) According to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with directors or persons connected with him under Section 192 of the Act.

xvi) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Hindustan Composites Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management; (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity’s assets that could have a material effect on the financial statements and (4) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the Company from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2021

CORPORATE OVERVIEW:

Hindustan Composites Limited ("the Company") is a public limited company domiciled in India and is incorporated under the provision of the Companies Act applicable in India. Its shares are listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) of India.

The registered office of the Company is located at Peninsula Business Park, A Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400 013 (Maharashtra).

The Company is engaged in the business of manufacturing and marketing of fibre based friction material, consisting of Brake Liners, Roll Lining, Brake Block, Clutch Facing etc and investment of its surplus fund.

A. SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

a) Basis Of Preparation of Financial Statements :

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 3 of the Companies (Indian Accounting standards) Rules, 2015 and amendment rules issued there after.

The financial statements of the Company are prepared on the accrual basis of accounting and historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value (refer note no. 43 financial instruments)
- ii) Defined benefit employee plan (refer note no. 42)

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Use of estimates and judgments:

The preparation of the financial statements requires the Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or

disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property plant and equipment and intangible assets

Property, plant and equipment and intangible assets are depreciated / amortised over their estimated useful lives, after taking into account its estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates. Depreciation on the fixed assets added / disposed off/ discarded during the year is provided on pro-rata basis with reference to the month of addition / disposal / discarding.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-

tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(c) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized in the financial statements.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

c) Property, plant and equipment and Intangible assets

Property, plant and equipment

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable GST and other expenses directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets:

Technical Know How and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease. Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believe that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Company amortizes computer software with a useful life using the straight-line method over the period of 3 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

d) As a lessee

Operating Lease

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made on or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

e) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are

shown within borrowings in current liabilities in the balance sheet.

f) Inventories:

Inventories of Raw Materials, Work-in-Progress, Stores and Spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

g) Financial Instruments

Financial assets - Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both (a) the entity's business model for managing the financial assets and (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with

all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

The company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.

Impairment

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of equity instruments measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from other equity to retain earning as a reclassification adjustment.

Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial

liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

h) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of

relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

l) Borrowings:

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

j) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Provisions and contingent liabilities:

Provisions for legal claims, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

i) Revenue recognition:

The Company recognizes revenue, whenever control over distinct goods or services is transferred to the customer i.e. when the customer is able to direct the use of the transferred goods or services and obtains substantially all of the remaining benefits, provided a contract with enforceable rights and obligations exists and amongst others collectability of consideration is probable taking into account customer's creditworthiness.

Revenue is the transaction price the Company expects to be entitled to. In determining the transaction price, the Company considers effects of variable consideration, the existence of significant financing contracts, noncash consideration and consideration payable to the customer, if any. The Company considers whether there are other promises in the contract that are separate performance obligations to which the transaction price needs to be allocated (e.g. warranties etc.).

i) Variable Consideration:

If the consideration in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled to in exchange for transferring goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved. Some contracts with the customers provide them with a right to return and volume rebates. The right to return and volume rebates gives rise to variable consideration.

The amount of variable consideration is calculated by either using the expected value or the most likely amount depending on which is expected to better predict the amount of variable consideration. Consideration is also adjusted for the time value of money if the period between the transfer of goods or services and the receipt of payment exceeds twelve months and there is a significant financing benefit either to the customer or the Company. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices. If stand-alone selling prices are not observable, the Company reasonably estimates those. Revenue is recognized for each performance obligation either at a point in time or over time.

ii) Sale of goods:

Revenue from the sale of goods is recognised when the control of the goods passes to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

Claims / Refunds not ascertainable with reasonable certainty are accounted for, on final settlement and are recognized as revenue.

iii) Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

iv) Other Income:

Dividend income on investments is recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets

m) Employee Benefits:

The Company provides following post-employment plans:

- (i) Defined benefit plans such as gratuity
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the

present value of defined benefit obligations at the end of the reporting period less fair value of the plan assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

(a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and

(b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

n) Foreign Currency Transaction:

The financial statements are presented in Indian rupee (INR), which is company's functional and presentation currency. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the

statement of profit and loss as other income / miscellaneous expenses.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

o) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT

credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

p) Segment Reporting:

The Company has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Company. The Managing Director evaluates the Company's performance and allocates resources as a whole.

q) Research and Development:

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Company has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

r) Earnings Per Share:

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

s) Contract balances:

i) Trade Receivables:

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only a passage of time is required to before payment of the consideration is due).

ii) Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the company transfer goods and services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier. Contract liabilities are recognised as revenue when the company performs under the contract.

t) New standards and interpretations not yet adopted

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through its notification, amended Schedule III of the Companies Act, 2013. The amendments in Division I, II and III of Schedule III are applicable from April 1, 2021.

Sensitivity analysis		
The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:		
Discount rate		
a) Discount rate - 100 basis points	54.70	45.20
b) Discount rate + 100 basis points	(48.86)	(39.95)
Salary escalation rate		
a) Rate - 100 basis points	(49.68)	(40.60)
a) Rate + 100 basis points	54.62	45.12

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Year 1	58.18	77.91
Year 2	42.80	18.42
Year 3	51.48	34.46
Year 4	94.04	39.97
Year 5	95.02	44.39
Year 6-10	463.26	314.58

The weighted average duration of the defined benefit obligation is 9 years (Previous Year 2020: 9 years).

Risk exposure:

Through its defined benefit plans, Company is exposed to a number of risks, the most significant of which are detailed below:

Investment risk: The present value of the defined benefit plan liability is calculated using discount rate determined by reference to market yields at the end of reporting period on government bond yields.

Interest risk: -A decrease in the bond interest will increase in plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to best estimate of the mortality of plan participants both during and at the end of employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such an increase in salary of the plan participants will increase the plan liability.

The Code on Social Security :

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and recognise the same when the Code becomes effective.

c. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The categories used are as follows:

- Level 1: quoted prices for identical instruments in active market.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Company's functional and presentation currency is INR. The Company does have transactions in currency other than functional currency i.e. in US Dollar (USD) for purchase of raw material from overseas supplier. However, those are not very significant considering the nature and size of the operations of the Company.

BSE Sensex - Decrease 5% -Gain/(loss)	(1,380.38)	(1,281.53)

(c) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of counter party, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an on-going basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- (iv) Significant increase in credit risk on other financial instruments of same counterparty

INDEPENDENT AUDITOR'S REPORT

To The Members of Hindustan Composites Limited

Opinion

Report on the Audit of Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Hindustan Composites Limited** and its Joint Venture (the Holding Company and its Joint Venture together referred to as "the Group"), which comprises of Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss, Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year than ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2021, its consolidated profits, consolidated other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw your attention to note no 38 of the consolidated financial statements with regard to Management's assessment of realisability of assets including financial Investments due to recent surge in Covid -19 pandemic outbreak. The management apart from considering the internal and external information up to the date of approval of these consolidated financial statements expects to recover the carrying amount of these assets, including financial investments. Considering the continuing uncertainties, the management will continue to closely monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short term as well as on a long-term basis.

Our opinion on the consolidated financial statements is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	Auditor's response
Valuation and Impairment of unquoted equity instruments /Debt Investments: We focused on the valuation of unquoted Equity/Debt Instruments due to the materiality of the investments and the nature of their valuation which involve the use of judgmental assumptions. As disclosed in Note no 3 and 8, as at 31 March 2021 the Group has unquoted equity /debt Investments of Rs. 26,208.17 Lakhs. These Investments are classified and measured at fair value through other comprehensive income.	Principal Audit Procedures We assessed and tested the design and the operating effectiveness of the key controls that management has established to support the review and approval of the model design, key model inputs and valuation. We assessed the appropriateness of the valuation method used by management by verifying the key inputs used in determining the assumptions as also corroborating the information.

Information Other than the Consolidated Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including consolidated other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of a joint venture in India included in the consolidated financial statements, whose financial statements reflect Group's share of loss of Rs. 126.80 Lakhs for the year ended March 31, 2021. These financial statements have been audited by other auditors, whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid joint venture, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books and records.
- The Consolidated Balance sheet, the Consolidated Statement of Profit & Loss (including consolidated other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.
- On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and its Joint Venture incorporated in India, none of the directors of the Group companies is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A".
- With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Sec 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Group has disclosed the impact of pending litigations on its consolidated financial position in its consolidated financial statements. [Refer Note No.33]

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

Annexure A

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF HINDUSTAN COMPOSITES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Group for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Hindustan Composites Limited ("the Holding Company") and its Joint Venture.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and a joint venture incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and a joint venture incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements and (4) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the Group from time to time.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us the Group has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2021**

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES
FORMING PART OF THE FINANCIAL STATEMENTS FOR
THE YEAR ENDED 31ST MARCH, 2021**

CORPORATE OVERVIEW:

The consolidated financial statements comprise financial statements of Hindustan Composites Limited is a public limited company and its joint venture, namely Compo Advics (India) Pvt. Ltd., (collectively referred to as "the Group") for the year ended 31 March 2021. The groups share in the Joint Venture is 49%.

Hindustan Composites Limited ("the Group") is a public limited Group domiciled in India and is incorporated under the provision of the Companies Act applicable in India. Its shares are listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) of India.

The registered office of the Group is located at Peninsula Business Park, A Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400 013.

The Group is engaged in the business of manufacturing and marketing of fibre based friction material, consisting of Brake Liners, Roll Lining, Brake Block, Clutch Facing, Disc Brakes Pads etc and investment of its surplus fund.

A. SIGNIFICANT ACCOUNTING POLICIES:

a) Basis of Preparation of Financial Statements:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 3 of the Companies (Indian Accounting standards) Rules, 2015 and amendment rules issued there after.

The consolidated financial statements of the Group are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value
- ii) Defined benefit employee plan

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Uses of estimates and judgments:

The preparation of the financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting

period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property plant and equipment and intangible assets

Property, plant and equipment and intangible assets are depreciated / amortised over their estimated useful lives, after taking into account its estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates. Depreciation on the fixed assets added / disposed off/ discarded during the year is provided on pro-rata basis with reference to the month of addition / disposal / discarding.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(c) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized in the financial statements.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

c) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Group as at 31 March 2021.

Investment in joint venture:

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting.

Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an associate or a joint venture.

Distributions received from an associate or a joint venture reduce the carrying amount of the investment. Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transactions provides evidence of an impairment of the assets transferred.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

d) Property, plant and equipment and Intangible assets

Property, plant and equipment

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Group assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets:

Technical Know How and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease. Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believe that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Group amortizes computer software with a useful life using the straight-line method over the period of 3 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

e) As a lessee

Operating Lease

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made on or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For short-term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the lease term.

f) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are

shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventories of Raw Materials, Work-in-Progress, Stores and spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The Goods and Service Tax (GST) in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group.

h) Financial Instruments

Financial assets - Initial recognition

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both (a) the entity's business model for managing the financial assets and (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Group's right to receive payments is established.

Impairment

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Financial Liabilities

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

i) Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.F

air value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability

and the level of the fair value hierarchy as explained above.

j) Borrowings:

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Consolidated Statement of Profit and Loss over the period of the borrowings using the effective interest method.

k) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

l) Provisions and contingent liabilities:

Provisions for legal claims, volume discounts and returns are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

m) Revenue recognition :

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The Group recognises revenue when the

amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods -

Timing of recognition:

Sales are recognised when substantial risk and rewards of ownership are transferred to customer. In case of domestic sales take place when goods are dispatched or delivery is handed over to customer's logistics. In case of export sales take place when goods are shipped on-board, based on bill of lading.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Dividend income:

Dividend income is recognised when the Group's right to receive the payment has been established.

n) Employee Benefits:

The Group provides following post-employment plans:

- (i) Defined benefit plans such as gratuity and pension &
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of the plan assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the consolidated statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Group's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

o) Foreign Currency Transaction:

The consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

p) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal

of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income-tax during the specified period.

q) Segment Reporting:

The Group has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Group. The Managing Director evaluates the Group's performance and allocates resources as a whole.

r) Research and Development:

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Group has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

s) Earnings Per Share:

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

t) New standards and interpretations not yet adopted

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through its notification, amended Schedule III of the Companies Act, 2013. The amendments in Division I, II and III of Schedule III are applicable from April 1, 2021.
