Independent Auditor's Review Report On standalone unaudited quarterly financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To The Board of Directors of
Hindustan Composites Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Hindustan Composites Limited** ('the Company') for the quarter ended June 30, 2020 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of the SEBI (Listing, Obligations and Disclosure requirements) Regulations, 2015 ('Listing regulations').

The statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on this financial Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We draw your attention to the Note 2 to standalone financial results with regards to Management's assessment of realisability of financial Investments, Inventories and recoverability of Trade receivables measured at amortised cost due to COVID 19 pandemic outbreak. The management apart from considering the internal and external information upto the date of approval of these standalone financial results, the management has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the management expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial results. Considering the continuing uncertainties, the management will continue to closely monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short term as well as on a long-term basis.
4. Attention is drawn to the fact that the figures of the quarter ended March 31, 2020 as reported in these standalone financial results are the balancing figures between audited figures for the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures upto the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not modified in respect of para 3 and 4 above.

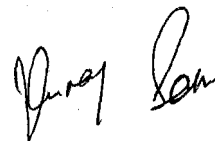

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with circular issued from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.

1. We have reviewed the accompanying statement of unaudited consolidated financial results of **Hindustan Composites Limited** ("the Holding Company") and its joint venture (together referred to as "the Group") for the quarter ended June 30, 2020 ("the Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulations 33 of the SEBI (Listing, Obligations and Disclosure requirements) Regulations, 2015 ('Listing regulations').

The statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. We are not required to perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
4. The Statement includes the results of the following entities:

Name of the Entity	Relationship
Compo Advics (India) Private Limited	Joint Venture in which Holding Company holds 49% stake

5. We draw your attention to the Note 2 to consolidated financial results with regards to Management's assessment of realisability of financial Investments, Inventories and recoverability of Trade receivables measured at amortised cost due to COVID 19 pandemic outbreak. The management apart from considering the internal and external information upto the date of approval of these consolidated financial results, the management has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the management expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these consolidated financial results. Considering the continuing uncertainties, the management will continue to closely monitor any material changes to future economic conditions and does not anticipate any material financial or operational issues in the short term as well as on a long-term basis.

6. Attention is drawn to the fact that the figures of the quarter ended March 31, 2020 as reported in these consolidated financial results are the balancing figures between audited figures for the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures upto the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
7. We did not review the financial statements of the joint venture included in the consolidated financial results, whose financial statements reflect Group's share of net loss of Rs 48 lakhs as considered in the statement. These financial statements have been reviewed by other auditor whose review report has been furnished to us by the Holding Company's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the joint venture, is based solely on the report of the other auditor and our opinion is based solely on the report of such other auditor.

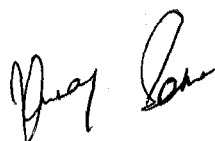

Our conclusion on the Statement is not modified in respect of the above matters referred in para 5 to 7 above.

8. Based on our review conducted and procedures performed as stated in paragraph above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Self-reliant farmers important for Aatmanirbhar Bharat mission: PM

PM Modi said the campaign is proving to be a value addition to cater to the needs of the global market

PRESS TRUST OF INDIA
New Delhi, August 15

HIGHLIGHTING KEY AGRICULTURAL reforms, Prime Minister Narendra Modi on Saturday said farm trade has been freed up from all restrictions, enabling farmers to sell their produce anywhere in the country. By drawing parallels with soap or cloth manufacturers who were able to sell their products anywhere at will, Modi said even after seven decades of Independence, farmers did not enjoy the freedom to trade their commodities beyond local mandis.

In his seventh straight Independence Day address from the ramparts of the Red Fort, the prime minister said that making farmers self-reliant has been a cornerstone of the Aatmanirbhar Bharat campaign and is also proving to be a value addition to cater to the needs of the global market. As part of the relief package to deal with the impact of the COVID-19 pandemic, the

Prime Minister Narendra Modi waves after addressing the nation during the 74th Independence Day celebrations, at Red Fort in New Delhi

government promulgated two ordinances allowing farmers to sell their produce outside mandis and enter into an agreement with private players and processors for sale of farm produce.

The government also deregulated food items under the Essential Commodities Act. These moves are aimed at enabling farmers to sell their produce outside of local mandis. Modi said the government has made reforms in the agriculture sector after many decades of

Independence and freed up farmers from all restrictions on marketing their produce. Modi said items like soap, clothes and sugar are sold anywhere in the country irrespective of the place of manufacturing. "Many people are not aware that my farmers were not allowed to sell produce outside their local mandis," he said, adding that there was a boundary defined for farmers to sell their commodities. "All those restrictions have ended now. Now, Indian farmers can

breathe freely after many years of the country's Independence. They can sell produce not only in India but also abroad at own terms," Modi said. The prime minister further said that for 'Aatmanirbhar Bharat', the priority is to make farmers and the farming sector self-reliant. Towards this, he said the government has taken several measures including removal of marketing curbs on farmers and setting up of ₹1 lakh agri-infrastructure fund.

Efforts on to make Ladakh carbon neutral: PM

PRESS TRUST OF INDIA
New Delhi, August 15

THE PRIME MINISTER said efforts are on to make the Union Territory of Ladakh a carbon-neutral region. Carbon neutrality means having a balance between emitting carbon and absorbing it from the atmosphere in carbon sinks. It is significant as greenhouse gas or carbon emissions adversely affect the climate. "Just like Sikkim has made its mark as an organic state, efforts are being made to make Ladakh a carbon-neutral region," said Modi.

In 2003, Sikkim became the first state to announce adoption of organic farming, which also

helped in reducing its carbon footprint. Sikkim stopped importing chemical fertilisers and since then the cultivable land there is practically organic and farmers of the state are traditional users of organic manure, an environment ministry official said.

In 2018, the northeastern state won the Food and Agriculture Organisation (FAO)'s 'Future Policy Award' for best policies on promoting agroecological and sustainable food systems. In Ladakh, several wind and solar energy projects are underway. Among these is an upcoming 7,500 megawatt (MW) solar power plant which will significantly reduce the

union territory's carbon footprint and contribute towards carbon neutrality.

"Ladakh has big potential for solar energy. Within five years from now, a 7,500 MW solar power plant will be installed there which will help in reducing the carbon footprint drastically," said Jigmet Takpa, joint secretary of the environment ministry. Ladakh produces 0.1% of India's total carbon emissions, another senior officer of the environment ministry said. Making Ladakh carbon neutral is a vision of development. It aims at carrying out developmental activities in the territory along with minimising carbon emissions.

३. सदर एकमेव वित्तीय निष्कर्षाचे अहवाल हे सिक्युरिटीज अॅण्ड एक्सचेंज बोर्ड ऑफ इंडिया (सेबी) द्वारे वितरीत मार्गदर्शन आणि लागू प्रमाणे कंपनी कायदा २०१३ चे तरतुदी भारतीय लेखाप्रमाण (इंडिएएस) नुसार तयार केले आहेत.

४. कंपनी प्लास्टीक मोल्डेड व एक्स्ट्रुडेड वस्तू व पीव्हीसी मॅट्स उत्पादन व्यवसायात कार्यरत आहेत.
